## KEY TRANSIT FACTORS

### ☉ Sun ☾ Semi sextile ♀ natal Venus · peak 3 Dec ★

These days you feel more **genuinely comfortable around people**, and they respond to that ease in you. You're not trying as hard to impress anyone, which somehow makes your relationships run smoother and more naturally. This small but real shift in how you show up socially can help you strengthen connections that matter to you over the coming weeks.

### ♅ Uranus ☿ Quincunx ♁ natal Uranus · peak 26 Dec

You feel restless about routines that used to work for you, and small changes in your daily structure suddenly feel important to make. Your usual way of staying independent or rebelling against rules gets awkward or misaligned, like you are not sure whether to stick with what you know or push against it. Over the coming weeks, you might experiment more with how you organize your time or your space, testing what actually fits you right now.

### ♄ Saturn ☿ Quincunx ♂ natal Mars · peak 1 Dec

These days you feel a disconnect between what you want to do and what you think you should do, and this creates practical friction in your daily routines. You might start a task with energy but then second-guess yourself or hit unexpected obstacles that force you to slow down and reconsider. This awkward mismatch between your impulses and real-world constraints is temporary, but right now it's teaching you where your approach needs **more realistic planning** instead of just pushing forward.

### ♅ Uranus ♂ Conjunction ♁ natal NNode · peak 31 Dec

You're feeling a strong pull to break free from patterns that no longer fit, and you're more willing than usual to take social or practical risks to get there. **You're restless with the familiar** and drawn to people or groups who think differently than your usual circles. These days your instinct is to test new directions, even if they feel uncomfortable, because staying put feels impossible.

### ♅ Uranus △ Trine ♄ natal Saturn · peak 2 Dec

Right now you can spot problems in your routines and systems without getting defensive about changing them. You feel **willing to experiment with practical improvements** while keeping what actually works. This is a rare window where your instinct for stability supports your curiosity about doing things differently.

### ♄ Chiron ☿ Quincunx ♃ natal Jupiter · peak 7 Dec

Over the coming weeks, you notice a mismatch between what you want to believe about yourself and what actually works in your life. You find yourself **questioning your usual confidence** or having to adjust your plans when reality doesn't match your expectations. This gap between your hopes and the practical results you're getting will likely push you to make small changes to how you approach problems.

#### ♃ Jupiter ♂ Conjunction ♌ natal Moon · peak 24 Dec

You feel more **comfortable asking for what you need** from people around you right now. Your emotional confidence is higher than usual, which makes it easier to speak up in conversations and express your opinions. Over the coming weeks, you'll likely notice others responding better to you because you're clearer about your feelings and less defensive than normal.

#### ♅ Chiron \* Sextile ♆ natal Neptune · peak 20 Dec

Over the coming weeks, you find it easier to **talk about your feelings without overdoing the drama**. Your natural compassion stays intact, but you're less likely to get lost in someone else's problems or your own fantasies about what they need. This is a good time to offer real support to people around you because you can actually listen instead of just projecting your own hopes onto their situation.

#### ♁ NNode □ Square ♄ natal Saturn · peak 1 Dec

Right now you feel caught between wanting to try something new and a nagging fear that you will fail or waste time. You become **unusually self-critical about your abilities** and may avoid taking any real action because the stakes feel too high. Over the coming weeks this friction between caution and growth can actually force you to make a real choice instead of drifting, though the discomfort while you decide is genuine.

#### ♇ Pluto \* Sextile ☉ natal Sun · peak 31 Dec

Over the coming weeks, you feel more **willing to take control of situations** that have felt stuck or out of your hands. Your sense of what you actually want becomes clearer, and you find yourself making decisions with less doubt than usual. This period supports real change in your life, especially when you stop waiting for permission and start acting on what matters to you.

#### ♅ Chiron △ Trine ♇ natal Pluto · peak 31 Dec

Over the coming weeks, you find it easier to **talk honestly about difficult things** without getting defensive or shutting down. People respond well to your openness because you're not attacking or blaming them, just saying what actually happened and how it affected you. This period gives you a practical window to repair relationships or clear the air in conversations you've been avoiding.

#### ♅ Chiron \* Sextile ♁ natal NNode · peak 1 Dec

Over the coming weeks, you find it easier to **talk about your actual experiences instead of pretending everything is fine**. People respond well to this honesty because you're not oversharing your wounds but simply being real about what you've learned. This openness builds better connections with others and helps you move forward without carrying old resentment.

#### ♅ Chiron ♁ Quincunx ♂ natal Uranus · peak 1 Dec

You feel uncomfortable with your usual ways of doing things, even though you can't quite explain why. These days you notice yourself wanting to break free from routines that normally work for you, which creates **practical friction between your need for stability and your urge to change direction**. Over the coming weeks, small adjustments in how you handle independence or unconventional choices will feel necessary, even if they don't come naturally to you right now.

#### ♅ Chiron \* Sextile ☿ natal Mercury · peak 31 Dec

Right now you're finding it easier to talk about things that normally feel awkward or painful, and people respond well to your honesty. Your **ability to explain difficult feelings in clear, straightforward language** is sharper than usual, which helps you connect with others without getting stuck in defensiveness. Over the coming weeks, conversations that might have been tense instead become a chance to actually understand each other better.

#### ♇ Pluto ∟ Semi sextile ♀ natal Venus · peak 1 Dec

You're noticing that small improvements in your relationships feel easier to make right now, without needing to force big conversations or dramatic changes. **You're more willing to let go of minor irritations** with people you care about, which often surprises them with how much lighter things become. Over the coming weeks, this shift in how you handle connection can quietly strengthen your bonds in practical ways.

#### ♃ Jupiter Rx · ♊ Gemini

Learning and intellectual expansion turn inward during this period — ideas that felt promising when conceived now require honest evaluation. Information gathered quickly may benefit from slower, deeper processing. Connecting existing knowledge serves you better right now than gathering new material.

#### ♄ Saturn Rx · ♉ Taurus

Long-term financial structures, material commitments, and patterns of security are under review during this period. What you have been relying on for stability may require more active maintenance than you had assumed. Honest reckoning with resources and long-term obligations is the most useful work you can do right now.

## KEY DATES

---

**Fri, 1 Dec** ♁ NNode □ Square ♄ natal Saturn

♄ Chiron \* Sextile ♁ natal NNode

**Sat, 2 Dec** ♅ Uranus △ Trine ♄ natal Saturn

**Mon, 4 Dec** ☿ Mercury enters ♏ Sagittarius

*Mercury* in *Sagittarius* brings **direct, blunt communication** — people say what they think without much filtering, which can clear the air or create awkward moments depending on who's listening. At work and in conversations, you'll notice **big-picture talk** taking over, with less patience for small details or nitpicking, so getting agreements in writing becomes more important. *Sagittarius* also pushes curiosity and debate, so **arguments stay friendly** longer than usual, even when people disagree strongly.

**Fri, 8 Dec** ♀ Venus enters ♒ Aquarius

*Venus* in *Aquarius* makes people **less interested in traditional relationship rules** and more drawn to friends, group settings, or unconventional arrangements. In practice, you might notice yourself **valuing independence and honesty** over romantic gestures, or finding that casual friendships suddenly feel more appealing than intense one-on-one bonds. At work and in daily life, this transit brings a **cooler, more detached approach** to money and socialising—you'll likely spend less on impulsive buys and prefer people who let you do your own thing.

**Mon, 11 Dec** Full Moon in Gemini

♅ Uranus △ Trine ♄ natal Saturn

♁ NNode □ Square ♄ natal Saturn

**Sun, 17 Dec** ♃ Jupiter ♂ Conjunction ☾ natal Moon

**Wed, 20 Dec** ♄ Chiron \* Sextile ♆ natal Neptune

**Fri, 22 Dec** ☼ Sun enters ♑ Capricorn

*The Sun* moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

**Sat, 23 Dec** ☿ Mercury enters ♑ Capricorn

*Mercury* entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

**Sun, 24 Dec** ♂ Mars enters ♏ Scorpio

♃ Jupiter ♂ Conjunction ☾ natal Moon

♇ Pluto \* Sextile ☼ natal Sun

*Mars* in *Scorpio* brings **sharper focus** and **longer attention span** — people tend to stick with difficult projects instead of jumping between tasks. In relationships and work, you'll notice more **direct confrontation** of problems that were ignored

before, which can clear the air but also creates tension if handled carelessly. *Mars* here makes people **dig deeper** into whatever they're doing, whether that's research, fitness routines, or figuring out why something isn't working.

**Tue, 26 Dec** New Moon in Capricorn
