♁ Chiron	in ♏ Capricorn	7°05'27"	III
♁ North Node	in ♒ Aquarius	18°37'06"	III Rx
♁ Lilith	in ♌ Leo	21°23'01"	X

## KEY TRANSIT FACTORS

### ♁ Chiron qx Quincunx ☉ natal Sun · Monday 5 Jan

While this lasts, you notice a **gap between how you see yourself and what actually works in your life**. You might feel awkward or out of step, as though your usual confidence does not quite fit the situation you are in. Over the coming weeks, small adjustments in how you present yourself or approach tasks will reduce this friction.

### ♃ Jupiter ♂ Conjunction ♁ natal Lilith · Monday 5 Jan

Over the coming weeks, you're likely to feel more **willing to ignore rules that don't make sense to you**. You might speak up in situations where you'd normally stay quiet, or push back against expectations that feel unfair. This boldness can open doors, but it can also create friction if you're not careful about who you're confronting.

### ♃ Jupiter \* Sextile ♆ natal Neptune · Thursday 8 Jan

Over the coming weeks, you find it easier to **trust your intuition without overthinking**, and this quieter confidence actually helps you make better decisions in practical situations. Your imagination feels less chaotic right now, and you can use creative ideas to solve real problems at work or in your relationships instead of getting lost in them. This is a good window to act on something you've been imagining or planning, because your instincts and your common sense are actually working together.

### ♇ Pluto ☐ Square ☉ natal Sun · Sunday 11 Jan

You're feeling **unusually defensive about who you are** and what you believe in right now. People seem to be challenging your authority or questioning your choices in ways that sting more than usual, and you find yourself either backing down or pushing back harder than makes sense. Over the coming weeks, you'll need to watch whether you're holding your ground for real reasons or just because someone rattled you.

### ♁ NNode ♂ Conjunction ☉ natal Sun · Sunday 11 Jan

Right now you feel **pulled toward doing things that matter to you personally**, even if they're not what others expect. You notice you care less about fitting in and more about showing up as yourself in conversations and decisions. Over the coming weeks, this shift might create friction in relationships where you've usually compromised, but it also clarifies what you actually want.

### ♅ Uranus qx Quincunx ♀ natal Venus · Monday 5 Jan

Right now you feel pulled in opposite directions about what you want from relationships and money. You might suddenly lose interest in something that mattered to you last week, or you find yourself **restless with routines** that used to feel comfortable. These impulses don't last long, but while they're here, you need to sit with the discomfort rather than act on every urge to change things.

### ♄ Saturn ☌ Opposition ☌ natal Moon · Sunday 11 Jan

These days you feel emotionally tired and less patient with people who depend on you, even though you know they need your support. Your automatic response is to withdraw or set stricter rules rather than explain what you actually need. This period pushes you to understand that your limits are real, but the way you communicate them right now tends to come across as cold or dismissive.

### ♃ Jupiter ☐ Square ♃ natal Jupiter · Sunday 11 Jan

Right now you're caught between wanting to expand too fast and hitting real practical limits. You overestimate what you can handle, say yes to too much, and then feel frustrated when reality doesn't cooperate with your plans. These friction points are teaching you where your actual resources end, but the lesson feels annoying rather than helpful **while it lasts**.

### ♅ Uranus ☌ Opposition ☉ natal Sun · Sunday 11 Jan

Right now you feel restless with who you've become and **struggle to act like yourself** in situations where you normally feel confident. People around you might push back or seem surprised by your sudden shifts in opinion and behaviour. Over the coming weeks, your sense of direction gets shaky because your usual identity markers no longer feel solid or reliable.

### ♃ Jupiter ☌ Conjunction ♇ natal Pluto · Monday 5 Jan

Right now you are drawn to situations where you can take charge and reshape things that feel stalled or broken. You may push harder than usual to gain control over a project, relationship, or part of your life that frustrates you—and **your determination is real, but you risk overwhelming others or moving too fast**. Over the coming weeks, notice whether you are solving actual problems or simply trying to force change for its own sake.

### ♃ Jupiter Rx · ♌ Leo

Creative confidence and the desire to be seen or celebrated retreat inward during this period. Projects that were expanding boldly may need a quieter phase of consolidation and honest self-review. Evaluating what you are genuinely proud of versus what requires more work is the most honest use of this time.

## LUNATION

○ Full Moon in ♋ Cancer · Monday, 5 Jan

emotional culmination, family matters, inner needs surface
