KEY TRANSIT FACTORS

☉ Sun ☿ Opposition ♂ natal Mars ★

Right now you're likely to feel frustrated when other people don't move at your pace or take your suggestions seriously. Your natural drive to act feels blocked, and you may respond with impatience or **sharp words that damage relationships you actually care about**. Over the coming weeks, the key is noticing when you're pushing hardest—that's when you're most likely to create conflict instead of progress.

☉ Sun ☐ Square ♁ natal Chiron ★

These days you're more aware of where you feel inadequate or hurt, and this awareness is uncomfortable rather than helpful. You might find yourself **withdrawing from situations where you feel exposed or judged**, even if no one is actually criticizing you. Over the coming weeks, this self-doubt can make ordinary tasks feel harder than they should be, though it usually passes once the transit moves on.

♀ Venus * Sextile ☿ natal Mercury

Right now you find it easier to say what you actually mean, and people respond well to your honesty. Your **words carry more warmth**, so conversations that usually feel difficult become straightforward and even enjoyable. Over the coming weeks, this natural ease with communication can help you sort out misunderstandings or simply connect more deeply with the people around you.

♃ Jupiter △ Trine ♀ natal Venus

Right now you're naturally more **generous and open-handed** with people around you, and they notice. You find it easier to say yes to invitations, spend money on things that bring you joy, and let others see you enjoying yourself without guilt. This practical shift in how you move through social situations tends to bring more warmth back to you from the people in your life over these coming weeks.

☿ Mercury ☐ Square ♅ natal Uranus

Right now your thinking is scattered and you jump between ideas without finishing them, which makes it hard to explain what you actually want to others. You feel **restless and impatient** with normal conversation, often blurting out opinions you later regret or missing what someone else is trying to tell you. Over the coming weeks, this mental friction could damage plans or relationships if you don't write things down before you speak or act on them.

☉ Sun ☿ Conjunction ☾ Moon

These days you feel more **aligned between what you want and what you feel**. Your emotional needs and your sense of direction match up, so you act with fewer doubts and less second-guessing yourself. This is a practical advantage when you need to make a choice or move forward on something that matters to you.

☉ Sun * Sextile ♆ Neptune

Right now you find it easier to **notice what others need without them having to ask**, and people respond well to this attentiveness. Your practical decisions feel less rigid, and you can hold two opposite ideas at once without getting stuck. This period is good for creative work, counseling conversations, or any situation where you need to read between the lines.

☉ Sun Δ Trine ♇ Pluto

These days you find it easier to **face difficult truths about yourself without falling apart**. You can look at your mistakes and weaknesses directly, then decide what to actually change instead of avoiding the problem. This psychological clarity helps you make real improvements in how you work, relate to others, or handle money.

** = natal resonance — this transit echoes your birth chart, amplifying its influence*

LUNAR DAY

Moon in ♒ Aquarius · Day 1 / 30 · New Moon

Emotional detachment increases these days, making abstract discussions and group concerns feel more engaging than personal ones. People respond better to logic than to feeling right now, and the need for independence runs noticeably higher.
