KEY TRANSIT FACTORS

♆ Neptune qx Quincunx ♃ natal Jupiter

Over the coming weeks, you may find that your usual confidence about what's possible gets pulled in different directions, making it hard to commit to plans or decisions. You might notice yourself second-guessing opportunities that normally excite you, or feeling unclear about whether to expand something or hold back. These contradictions are temporary, and the practical thing to do is stay flexible and avoid locking yourself into major commitments while this lasts.

☾ Moon ♂ Conjunction ♅ natal Uranus

Over the coming weeks, you feel **restless in your normal routines** and want to break free from familiar patterns. You might suddenly rearrange your home, change your schedule without planning, or say things you normally keep to yourself. These impulses are temporary but real, and trying to suppress them usually makes the feeling stronger.

♅ Uranus △ Trine ☉ natal Sun

Over the coming weeks, you feel more willing to break your usual routines and try things differently without the anxiety that normally holds you back. You become **spontaneous and experimental** in how you approach your work, relationships, or personal projects, and these changes actually seem to work out well. *Uranus* trine your *Sun* gives you the confidence to be authentic and independent right now, so new opportunities show up when you stop forcing the old way of doing things.

♃ Jupiter * Sextile ♆ natal Neptune

Over the coming weeks, you find it easier to **trust your intuition without overthinking**, and this quieter confidence actually helps you make better decisions in practical situations. Your imagination feels less chaotic right now, and you can use creative ideas to solve real problems at work or in your relationships instead of getting lost in them. This is a good window to act on something you've been imagining or planning, because your instincts and your common sense are actually working together.

☾ Moon ∟ Semi sextile ♇ natal Pluto

You feel more **willing to face uncomfortable truths** about yourself without getting overwhelmed right now. Your emotional responses are steadier when difficult topics come up, so you can actually think clearly instead of shutting down. This is a good window to have honest conversations or make practical changes you've been putting off.

♄ Saturn Rx · ♉ Taurus

Long-term financial structures, material commitments, and patterns of security are under review during this period. What you have been relying on for stability may require more active maintenance than you had assumed. Honest reckoning with resources and long-term obligations is the most useful work you can do right now.

☉ Sun ∟ Semi sextile ☾ Moon

These days you find it easier to **act on what you actually feel** instead of second-guessing yourself. Your emotional reactions and your practical choices line up more naturally, so you waste less energy fighting your own instincts. This makes conversations smoother and decisions quicker because you're not pulling yourself in opposite directions.

☉ Sun ☾ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun ♂ Conjunction ♃ Jupiter

Right now you feel more confident about your abilities and less worried about what could go wrong. You are **more willing to take on bigger challenges** and speak up in situations where you normally stay quiet. This period tends to bring real opportunities your way because you are actually showing up differently, not because of luck.

LUNAR DAY

Moon in ♏ Scorpio · Day 3 / 30 · New Moon

Psychological intensity rises for the next 48 hours, and surface-level talk becomes noticeably less satisfying. People read into what others leave unsaid more than usual, and private matters feel more pressing.
