KEY TRANSIT FACTORS

♃ Jupiter * Sextile ♌ natal Saturn *

Right now you find it easier to **follow through on commitments** without feeling weighed down by them. *Jupiter* is supporting your *Saturn*, which means you can take on real responsibility and actually enjoy the structure instead of resenting it. Over the coming weeks, you'll notice that planning ahead and sticking to deadlines feels less like a burden and more like something that works in your favor.

♇ Pluto □ Square ♃ natal Jupiter

Over the coming weeks, you're likely to feel blocked whenever you try to expand or move forward on something important to you. Your **impatience with limits** grows as obstacles appear exactly when you thought progress was guaranteed, making you push harder against resistance instead of stepping back. This period tests whether you can accept that some things need to shrink or transform rather than simply get bigger.

♆ Neptune □ Square ♌ natal Saturn

Right now you are caught between wanting to relax your standards and needing to stick to them, which leaves you feeling unsettled about practical decisions. You might find yourself **avoiding commitment or clarity** on important matters because the effort feels pointless, or you second-guess rules and boundaries you normally trust. Over the coming weeks, this friction between *Neptune's* pull toward looseness and *Saturn's* demand for structure can make you feel like you are either too rigid or too adrift in your own life.

♊ NNode qx Quincunx ♇ natal Pluto

Over the coming weeks, you may feel pulled in two directions when it comes to control and letting go. You want to move forward in a new direction but find yourself **reluctant to release old patterns** that feel familiar. This discomfort is real, and pushing too hard to change things quickly will only create more friction with yourself.

♀ Venus □ Square ♌ natal Saturn

You feel **emotionally withdrawn and critical about your relationships** while this lasts, noticing flaws in people you normally accept. *Venus* square *Saturn* makes you doubt whether you deserve affection or whether others really care, so you pull back first to protect yourself. Over the coming weeks, this psychological distance can damage connections if you mistake your own fear for genuine incompatibility.

♄ Saturn Rx · ♉ Taurus

Long-term financial structures, material commitments, and patterns of security are under review during this period. What you have been relying on for stability may require more active maintenance than you had assumed. Honest reckoning with resources and long-term obligations is the most useful work you can do right now.

☉ Sun * Sextile ♅ Uranus

These days you feel more willing to try something different without the usual fear holding you back. You might suggest a new idea at work, change your routine, or say no to something that no longer fits. This **relaxed openness to change** makes it easier to break old patterns while still feeling grounded enough to actually follow through.

☾ Moon * Sextile ♀ Venus

Right now you find it easier to **express what you actually feel** without worrying what others will think. People around you respond well because you seem more genuine and relaxed than usual. This is a good period to have honest conversations or do something kind for someone close to you.

☾ Moon ∟ Semi sextile ♃ Jupiter

These days you feel a bit more generous with yourself and others, which makes social situations feel easier and less forced. You're noticing small good things around you more readily, and this **gentle optimism** makes it simpler to ask for help or offer support without overthinking it. The *Moon* and *Jupiter* connection right now creates a quiet permission to be a little kinder to yourself about your limitations.

LUNAR DAY

Moon in ♍ Virgo · Day 24 / 30 · Last Quarter

Attention sharpens on what is not working right now — small errors and inefficiencies become harder to ignore than usual. **The tendency to organize, correct, and refine** runs stronger for the next day or two, sometimes at the cost of the bigger picture.
