KEY DATE

☉ Sun enters ♌ Leo

The Sun entering Leo brings a **shift toward more direct self-expression** — people tend to speak up more at work, take on visible roles, and want their efforts noticed rather than working quietly behind the scenes. In relationships and social settings, **confidence and attention-seeking increase**, which can mean more fun and boldness but also more friction if someone feels overshadowed or ignored. Over the next month, most people find themselves **more willing to take charge**, pursue what they actually want, and care less about blending in.

KEY TRANSIT FACTORS

☉ Sun ☐ Square ♁ natal Chiron ★

These days you're more aware of where you feel inadequate or hurt, and this awareness is uncomfortable rather than helpful. You might find yourself **withdrawing from situations where you feel exposed or judged**, even if no one is actually criticizing you. Over the coming weeks, this self-doubt can make ordinary tasks feel harder than they should be, though it usually passes once the transit moves on.

♃ Jupiter ★ Sextile ♄ natal Saturn ★

Right now you find it easier to **follow through on commitments** without feeling weighed down by them. *Jupiter* is supporting your *Saturn*, which means you can take on real responsibility and actually enjoy the structure instead of resenting it. Over the coming weeks, you'll notice that planning ahead and sticking to deadlines feels less like a burden and more like something that works in your favor.

♂ Mars ☉ Opposition ☉ natal Sun ★

Right now you're running into more resistance than usual, especially from people who see things differently than you do. You might feel **frustrated that others are blocking your plans** or disagreeing with your choices, even when you feel certain you're right. This friction won't last, but these weeks are asking you to slow down and pick your battles instead of pushing forward on every front.

♂ Mars ☐ Square ♁ natal Chiron ★

You're more irritable than usual right now, especially when someone points out a mistake or limitation of yours. **You push back harder and faster than normal**, defending yourself before you've even thought it through. Over the coming weeks, this defensive reaction will show you exactly where you're still tender about your own abilities or past failures.

☉ Sun ☉ Conjunction ♂ natal Mars

You're running on more fuel than usual right now, and you're likely to **act on impulses faster than you normally would**. Your appetite for physical activity, competition, or getting things done goes up noticeably during these weeks. This burst of directness can help you tackle projects or stand up for yourself, though you might also notice you're more irritable if something gets in your way.

☉ Sun △ Trine ☾ Moon

These days you find it easier to know what you actually want and to ask for it without overthinking. Your emotional reactions line up with your real goals, so you move forward without fighting yourself. This is a good time to make decisions or have conversations because you sound genuine and people respond well to that.

☉ Sun ♂ Conjunction ♂ Mars

Right now you feel **more direct and willing to take action** on things you normally hesitate about. You're likely to speak up in conversations, push forward with a project, or make a decision you've been putting off. This practical confidence usually fades once the transit passes, so use it to handle what actually needs doing.

☉ Sun □ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. *Sun* square *Jupiter* pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

★ = natal resonance — this transit echoes your birth chart, amplifying its influence
