KEY TRANSIT FACTORS

☿ Mercury ☿ Quincunx ☾ natal Moon ★

Right now your thoughts and your feelings are working at cross purposes, so you say one thing while sensing something different underneath. You might find yourself explaining yourself repeatedly to people because your words do not quite match what you actually feel, creating **awkward misunderstandings in conversations**. Over the coming weeks, paying attention to this gap between what you think and what you feel will help you communicate more clearly.

♂ Mars ☐ Square ♁ natal Chiron ★

You're more irritable than usual right now, especially when someone points out a mistake or limitation of yours. **You push back harder and faster than normal**, defending yourself before you've even thought it through. Over the coming weeks, this defensive reaction will show you exactly where you're still tender about your own abilities or past failures.

☉ Sun ☌ Conjunction ♀ Venus ★

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

☿ Mercury △ Trine ♅ natal Uranus

Your mind is working faster than usual right now, and you're making unexpected connections between ideas that seemed unrelated before. You find yourself **thinking in new directions** and willing to try approaches that normally wouldn't occur to you. Over the coming weeks, this mental clarity can help you solve practical problems or come up with fresh solutions at work or in your personal projects.

♁ Chiron ☌ Opposition ♇ natal Pluto

Right now you are **confronting ways you control situations through fear or secrecy**, and it feels uncomfortable because someone or something is forcing you to see what you have been hiding from yourself. You may notice that your usual tactics for managing relationships or power no longer work, leaving you feeling exposed and defensive. These days it is worth sitting with this discomfort instead of retreating into old patterns, because what feels threatening right now is actually showing you where real change needs to happen.

♀ Venus ☌ Opposition ♋ natal NNode

Right now you're drawn to people and situations that feel comfortable but pull you away from what actually matters to you. You might find yourself **choosing ease over growth**, saying yes to social plans or relationships that don't align with your real values. This mismatch between what feels good in the moment and what you know you need creates frustration that builds over these coming weeks.

☉ Sun ☌ Semi sextile ☾ Moon

These days you find it easier to **act on what you actually feel** instead of second-guessing yourself. Your emotional reactions and your practical choices line up more naturally, so you waste less energy fighting your own instincts. This makes conversations smoother and decisions quicker because you're not pulling yourself in opposite directions.

☉ Sun ☌ Semi sextile ☿ Mercury

These days you find it easier to **say what you actually think** without overcomplicating things or getting stuck in your own head. Your mind and sense of purpose line up naturally, so explaining yourself to others feels straightforward rather than exhausting. This is a good window for conversations, presentations, or decisions where you need to be both clear and confident about what matters to you.

LUNAR DAY

Moon in ♋ Pisces · Day 28 / 30 · Waning Crescent

The boundary between personal and environmental moods blurs during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.
