KEY TRANSIT FACTORS

♄ Chiron △ Trine ♄ natal Saturn ★

You are finding it easier to accept your own limitations without feeling like you have failed. **You take a practical approach to your weaknesses** and see them as useful information rather than proof of inadequacy. Over the coming weeks, this shift in perspective makes it simpler to plan realistic goals and stick to them without the usual self-criticism getting in your way.

♆ Neptune * Sextile ♁ natal NNode

Over the coming weeks, you find it easier to **trust your instincts about what matters to you**, and this makes decisions about your direction feel less forced. People around you respond well to your openness right now, and conversations naturally turn toward what you actually care about rather than what you think you should want. This is a good time to explore interests that have been calling to you quietly, because your imagination and your sense of purpose are working together instead of pulling in different directions.

♄ Chiron * Sextile ♃ natal Jupiter

You find it easier right now to talk about past disappointments without getting stuck in them. Your natural ability to look forward and find the practical lesson in what went wrong is stronger than usual. Over the coming weeks, this becomes a genuine resource—you can help others see their setbacks as useful information rather than permanent failures.

♅ Uranus ♁ Opposition ♄ natal Chiron

Right now you are **unusually defensive about your weaknesses** and less willing to accept practical help from others. You may find yourself resisting advice or support that would normally feel useful to you, creating unnecessary friction in relationships where people are trying to assist. This defensiveness can push away the exact people who understand your limitations and could actually make things easier during these coming weeks.

☾ Moon ∟ Semi sextile ♃ natal Jupiter

These days you find it easier to **see the good in situations** and bounce back quickly from small disappointments. Your mood lifts naturally when you focus on what you've learned from recent experiences, and people around you notice you're more optimistic than usual. This is a good window to say yes to invitations or try something new, since your confidence in things working out is genuinely higher right now.

♃ Jupiter Rx · ♈ Aries

Expansion and confidence retreat inward during this period, and bold initiatives launched recently may feel overextended. The impulse to charge forward is replaced by a quieter, more honest review of where your genuine optimism is warranted. Reassessment serves you better than new beginnings right now.

☉ Sun △ Trine ☾ Moon

These days you find it easier to know what you actually want and to ask for it without overthinking. Your emotional reactions line up with your real goals, so you move forward without fighting yourself. This is a good time to make decisions or have conversations because you sound genuine and people respond well to that.

☉ Sun * Sextile ♄ Saturn

Right now you find it easier to follow through on what you say you'll do, and people notice you're more reliable than usual. Your practical judgement is sharp, so **you can see what actually needs to happen** instead of getting distracted by what sounds exciting. This is the kind of period where effort pays off directly, so if you've been putting something off, the conditions are there to make real progress without burning yourself out.

☉ Sun ∟ Semi sextile ♅ Uranus

These days you find it easier to **try something different without overthinking it**. Small changes feel natural right now, whether that's taking a new route to work or suggesting a fresh idea in a conversation. This mild alignment between *the Sun* and *Uranus* gives you just enough confidence to break routine without feeling reckless.

LUNAR DAY

Moon in ♉ Taurus · Day 20 / 30 · Waning Gibbous

The pace slows considerably during this transit as comfort and familiar surroundings take priority over efficiency. Resistance to change hardens, and any disruption to routine tends to provoke stubborn pushback.
