KEY TRANSIT FACTORS

♇ Pluto * Sextile ☾ natal Moon ★

You find it easier right now to talk about what you actually feel instead of keeping things hidden. Your **emotional honesty** comes across as natural and calm, so people listen and respond well. Over the coming weeks, this means conversations with family or close friends become more real and less guarded.

♀ Venus * Sextile ♋ natal NNode

Over the coming weeks, you find it easier to **say yes to people and opportunities that feel right**, without overthinking or second-guessing yourself. Your social confidence picks up naturally, and others respond well to you because you're more relaxed and genuine in conversations. This is a good time to accept invitations, start conversations with people who matter to you, or take a small social risk you've been considering.

☾ Moon ☐ Square ♃ natal Jupiter

Your emotions right now are pulling you toward overcommitment and excessive spending that your wallet cannot actually support. You feel optimistic and generous, but you're not paying attention to real limits or consequences. This gap between what you want to give and what you can afford often leads to regret or resentment once the period passes.

☿ Mercury ☌ Conjunction ♃ natal Jupiter

You're thinking in bigger pictures right now, and your conversation becomes more persuasive and generous with ideas. People want to listen to you because you're offering something useful, not just speaking for the sake of it. This **optimistic and expansive way of communicating** can open doors in your work or social life over the coming weeks.

☉ Sun ☌ Opposition ☿ natal Mercury

Right now you're finding it hard to say what you mean, and people often misunderstand your point even when you explain carefully. Your thinking feels scattered and you keep losing your train of thought in conversations or at work. This friction between what you want to communicate and what actually comes out will push you to slow down and choose your words more deliberately over the coming weeks.

☾ Moon ☐ Square ☿ Mercury

Right now your **feelings and thoughts are working against each other**, making it hard to say what you actually mean. You might feel irritated or misunderstood because your emotions are moving faster than your ability to explain them. These days conversations tend to go sideways even when you're trying to be clear, because *Moon* and *Mercury* are pulling in opposite directions.

☾ Moon ☐ Square ♂ Mars

These days you're more likely to act on frustration before you think it through, and small annoyances can feel urgent and demanding. **Your emotional reactions move faster than your good judgment**, so conversations with others can turn sharp or heated quickly. This period pushes you to notice the gap between what you feel and what actually needs to happen right now.

› Moon * Sextile ☿ Uranus

These days you feel more willing to try something different without the usual fear holding you back. Your emotional reactions are quicker and sharper, letting you spot solutions that seem obvious once you see them. **You act on impulses in practical ways** — calling someone you've been meaning to reach out to, rearranging your space, or saying what you actually think — and it lands well with people around you.

* = natal resonance — this transit echoes your birth chart, amplifying its influence

LUNAR DAY

Moon in ♍ Virgo · Day 6 / 30 · Waxing Crescent

Attention sharpens on what is not working right now — small errors and inefficiencies become harder to ignore than usual. **The tendency to organize, correct, and refine** runs stronger for the next day or two, sometimes at the cost of the bigger picture.
