KEY TRANSIT FACTORS

♂ Mars ☍ Opposition ♁ natal Chiron

Right now you are **quick to react defensively when anyone points out a weakness or mistake**, and this makes conversations harder instead of easier. Your old insecurities about not being good enough are closer to the surface, so small criticism stings more than usual. Over the coming weeks, you will need to catch yourself before snapping at someone who is only trying to help.

♃ Jupiter ∟ Semi sextile ☿ natal Mercury

Your thinking becomes more practical and purposeful these days, and you find it easier to explain your ideas to other people without getting tangled up in details. You're **more optimistic about what you can accomplish** when you speak up or write something down, and that confidence often translates into real results. Over the coming weeks, small conversations or written messages tend to open doors that might have stayed closed before.

♀ Venus ∟ Semi sextile ♅ natal Uranus

While this lasts, you feel more comfortable being yourself around people instead of playing a role. You might suddenly be drawn to friends or partners who actually get your quirks rather than those who want you to fit in. This small shift gives you permission to relax and enjoy connections where you don't have to pretend.

♀ Venus * Sextile ♇ natal Pluto

You find yourself **drawn to people and situations with real substance** right now, and you're willing to invest genuine effort into the connections that matter. Others respond to your honesty and directness about what you want, which makes your relationships feel less superficial than usual. This is a good window to have difficult conversations or make commitments you actually mean, because you're both sincere and tactful at the same time.

♇ Pluto □ Square ♀ natal Venus

Your relationships feel strained right now as you become more critical of your partner or people close to you. You may notice yourself **withdrawing affection or testing whether people really care**, which often pushes them away further. Over the coming weeks, this pattern will force you to look honestly at what you actually want from your connections instead of settling for surface comfort.

☉ Sun * Sextile ☾ Moon

These days you find it easier to know what you actually want and then act on it without second-guessing yourself. Your **practical needs and your emotional needs are pointing in the same direction**, so decisions feel less confusing. This alignment between the *Sun* and *Moon* means you can move forward with both confidence and peace of mind.

♿ Mercury ☾ Semi sextile ♂ Mars

These days your mind works faster than usual and you naturally think about how to get things done instead of getting stuck in overthinking. You find it easy to **say what you mean without being rude**, which means conversations at work or home move forward instead of dragging on. This is a good time to tackle a practical problem or make a decision you have been putting off.

♿ Mercury ☿ Conjunction ♄ Saturn

These days you're more likely to **think before you speak**, and conversations tend to be serious rather than light. Your mind feels slower and more careful, which means fewer mistakes in writing or planning but also less spontaneity in what you say. This is when practical decisions get made and difficult topics get discussed without drama.

LUNAR DAY

Moon in ♒ Aquarius · Day 5 / 30 · Waxing Crescent

Emotional detachment increases these days, making abstract discussions and group concerns feel more engaging than personal ones. People respond better to logic than to feeling right now, and the need for independence runs noticeably higher.
