## KEY TRANSIT FACTORS

### ♆ Neptune ☐ Square ♇ natal Pluto

Right now you are questioning beliefs and rules you have followed for years, and this questioning feels unsettling rather than clarifying. You may find yourself **doubting your own judgment about what is real and what matters**, which makes it hard to commit to decisions or trust your instincts. Over the coming weeks, this confusion can push you to examine whether you have been living according to someone else's values instead of your own, though the process of sorting this out will feel uncomfortable and slow.

### ♆ Neptune \* Sextile ♅ natal Uranus

Over the coming weeks, your **creative thinking becomes unusually practical** — you find ways to bring odd ideas into real projects instead of just imagining them. You're drawn to trying unconventional approaches to familiar problems, and right now people actually listen because your suggestions make sense. This is a good time to experiment with new methods at work or tackle a personal project you've been avoiding because it seemed too different.

### ♄ Saturn ♂ Conjunction ☉ natal Sun

You feel a pull toward **taking things seriously** and cutting away what doesn't matter, making decisions now that you've been avoiding for months. Your tolerance for distraction drops, and you're less interested in social obligations or people-pleasing, which can feel isolating but also clarifying. Over the coming weeks, you may feel heavier or more responsible for your choices, and this weight often leads to practical changes you actually stick with.

### ♀ Venus ☐ Square ♀ natal Venus

These days you feel **restless about what you want** and find it hard to settle on anything that normally makes you happy. You might pick fights with people you care about over small things, or suddenly feel disconnected from activities and relationships that usually feel satisfying. This friction between what you think you should want and what you actually want right now can push you to figure out what really matters to you, even though it feels uncomfortable while it lasts.

### ♆ Neptune ∟ Semi sextile ♆ natal Neptune

Your **intuition about people feels unusually reliable** right now, and you find yourself noticing things others miss in conversations and social situations. You're picking up on subtle emotional cues without trying, which makes you more naturally attuned to what others actually need rather than what they say they need. This quiet perceptiveness helps you connect with people in a genuine way and gives your relationships a softer, more understanding quality over these coming weeks.

### ♃ Jupiter Rx · ♌ Leo

Creative confidence and the desire to be seen or celebrated retreat inward during this period. Projects that were expanding boldly may need a quieter phase of consolidation and honest self-review. Evaluating what you are genuinely proud of versus what requires more work is the most honest use of this time.

☉ Sun ☾ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun △ Trine ♃ Jupiter

Right now you feel **more confident about your abilities** and you're likely to take on tasks you've been putting off. People around you notice your optimism and it spreads, making conversations easier and collaborations feel lighter. This is a practical window where your effort tends to produce visible results, so taking action on something you care about usually pays off.

☉ Sun \* Sextile ♄ Saturn

Right now you find it easier to follow through on what you say you'll do, and people notice you're more reliable than usual. Your practical judgement is sharp, so **you can see what actually needs to happen** instead of getting distracted by what sounds exciting. This is the kind of period where effort pays off directly, so if you've been putting something off, the conditions are there to make real progress without burning yourself out.

LUNAR DAY

Moon in ♋ Cancer · Day 9 / 30 · First Quarter
