♇ Pluto	in ♎ Libra	16°41'02"	V Rx
♁ Chiron	in ♉ Taurus	1°12'25"	XI
♊ North Node	in ♎ Libra	9°15'38"	V Rx
♁ Lilith	in ♋ Cancer	0°51'45"	I

KEY TRANSIT FACTORS

☉ Sun ☌ Opposition ♂ natal Mars ★

Right now you're likely to feel frustrated when other people don't move at your pace or take your suggestions seriously. Your natural drive to act feels blocked, and you may respond with impatience or **sharp words that damage relationships you actually care about**. Over the coming weeks, the key is noticing when you're pushing hardest—that's when you're most likely to create conflict instead of progress.

♁ Chiron ☐ Square ♂ natal Mars ★

Right now you're running into situations where your usual way of pushing forward feels blocked or clumsy, and you're **second-guessing your own strength**. You might notice old injuries or physical vulnerabilities flaring up, or you feel awkward and uncertain when you'd normally act with confidence. Over the coming weeks, this friction between doubt and action can actually show you where you're forcing things instead of thinking them through first.

☾ Moon ☌ Quincunx ♃ natal Mercury ★

Over the coming weeks, you find it hard to say exactly what you mean even though you know what you're thinking. Your words come out **awkward or incomplete**, and people sometimes misunderstand you or ask you to repeat yourself. This mismatch between what's in your head and what comes out of your mouth will pass, but right now it's worth slowing down and checking that others actually understand you before moving on.

☉ Sun ☐ Square ♁ natal Chiron ★

These days you're more aware of where you feel inadequate or hurt, and this awareness is uncomfortable rather than helpful. You might find yourself **withdrawing from situations where you feel exposed or judged**, even if no one is actually criticizing you. Over the coming weeks, this self-doubt can make ordinary tasks feel harder than they should be, though it usually passes once the transit moves on.

♊ NNode ☐ Trine ☉ natal Sun ★

Right now you find it easier to **say what you actually want** instead of staying quiet or going along with others. People around you respond well to your directness because it comes across as honest rather than aggressive. Over the coming weeks, you might notice doors opening simply because you stopped hiding what matters to you.

☉ Sun ☐ Trine ♂ Mars

Right now you feel **capable and ready to act** on things you've been thinking about. You have the psychological boost to start projects or push through obstacles without burning out or getting frustrated. This period makes practical effort feel natural instead of forced.

☉ Sun ☌ Conjunction ♃ Jupiter

Right now you feel more confident about your abilities and less worried about what could go wrong. You are **more willing to take on bigger challenges** and speak up in situations where you normally stay quiet. This period tends to bring real opportunities your way because you are actually showing up differently, not because of luck.

☉ Sun * Sextile ♄ Saturn

Right now you find it easier to follow through on what you say you'll do, and people notice you're more reliable than usual. Your practical judgement is sharp, so **you can see what actually needs to happen** instead of getting distracted by what sounds exciting. This is the kind of period where effort pays off directly, so if you've been putting something off, the conditions are there to make real progress without burning yourself out.

* = natal resonance — this transit echoes your birth chart, amplifying its influence

LUNAR DAY

Moon in ♊ Gemini · Day 11 / 30 · First Quarter

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY

Sunday · ☉ Sun · Venus in ♒ Aquarius

Sunday is the Sun's day — gold, warm orange, or amber tones radiate confidence and vitality. Sunstone or citrine worn visibly invites creativity and positive attention.
