KEY TRANSIT FACTORS

☉ Sun △ Trine ♁ natal NNode ★

Right now you find yourself **naturally drawn toward conversations and situations that feel aligned with who you are**. People respond to your straightforward confidence, and opportunities seem to show up with less effort on your part. Over the coming weeks, trust what feels genuinely right instead of second-guessing yourself.

☾ Moon □ Square ♅ Uranus ★

These days you feel restless and want to break free from routines that suddenly feel suffocating, even if they were fine yesterday. Your **mood swings unpredictably** and you push away people who try to comfort you or offer practical help. While this lasts, small emotional disappointments hit harder than usual, and you may snap at others or make sudden changes you regret later.

♄ Saturn △ Trine ♆ natal Neptune

Right now you are able to **turn your daydreams into actual plans** without losing the creative spark that usually gets lost in paperwork. Your intuition becomes practical instead of vague, so you can trust those gut feelings enough to act on them. Over the coming weeks, this is the time to start that project you have been imagining but never quite beginning.

♄ Saturn △ Trine ☾ natal Moon

These days you find it easier to **stay calm when things go wrong**, because you're not getting swept up in panic the way you normally do. Your emotions feel more manageable and you can actually sit with difficult feelings instead of rushing to fix them or push them away. This stability gives you real space to think clearly about what you actually need, and people around you probably notice you're more grounded and reliable right now.

♆ Neptune ☾ Opposition ♂ natal Mars

Right now you're finding it hard to trust your own drive and instincts. You second-guess decisions you'd normally make quickly, and your **confidence in your own judgment feels unreliable**. This confusion can make you hesitate when action is needed, or push forward without clarity about what you actually want.

☾ Moon □ Square ♀ natal Venus

Right now you feel emotionally out of step with the people closest to you, making it hard to enjoy their company or feel appreciated by them. You may pick fights over small things or withdraw when you normally would reach out, leaving relationships feeling **strained and disconnected**. These days your mood swings can make you seem ungrateful or cold, even when that is not what you intend.

☉ Sun △ Trine ♅ Uranus

Right now you feel comfortable taking risks that normally make you anxious, and **you speak up about ideas you'd usually keep quiet**. Other people seem more receptive to what you have to say, and conversations naturally veer toward what could happen instead of what has always happened. This is a good time to propose changes at work, try something new socially, or make a practical decision you've been putting off.

☾ Moon ☿ Quincunx ♇ Pluto

These days you might notice a gap between what you feel and what you think you should do about it. Your emotional reactions feel stronger than usual, and you can't quite figure out why small things are bothering you more. This mismatch between your feelings and your practical choices can make you feel stuck until you take time to understand what's actually upsetting you.

LUNAR DAY

Moon in ♉ Taurus · Day 27 / 30 · Waning Crescent

The pace slows considerably during this transit as comfort and familiar surroundings take priority over efficiency. Resistance to change hardens, and any disruption to routine tends to provoke stubborn pushback.

CLOTHING & JEWELRY

Monday · ☾ Moon · Venus in Aquarius

Monday belongs to the Moon — wear silver, white, or soft green tones. Moonstone or pearl as a pendant or ring amplifies the day's intuitive, nurturing energy.
