KEY TRANSIT FACTORS

♀ Venus △ Trine ♅ natal Uranus

These days you feel more comfortable being yourself around others and less worried about what people expect from you. You're **more willing to try new things socially** — whether that's suggesting an unusual date idea, joining a group with different interests, or speaking up with an unpopular opinion. This period brings a natural ease to your relationships because you're relaxed enough to let your actual personality show, and that authenticity tends to draw people toward you.

♀ Venus □ Square ♇ natal Pluto

Right now you may feel drawn into relationships or situations where you want more control than is realistic, and you become frustrated or resentful when you cannot have it. Your **need to dominate or possess** shows up in your romantic life and friendships, creating tension with people who sense your intensity. Over the coming weeks, this pattern will likely push others away unless you notice it and step back from trying to reshape them.

♆ Neptune ♂ Conjunction ♀ natal Venus

Right now you are **less clear about what you actually want from relationships and attraction**, because *Neptune* is softening the boundaries around your *Venus*. You might find yourself drawn to people or situations that don't match your real values, or you overlook red flags because everything feels romantic and possible. Over the coming weeks, check your choices against what you knew about yourself before this transit started.

♃ Jupiter ♂ Quincunx ♀ natal Venus

Right now you're noticing that what you want socially or romantically doesn't quite fit with what you're actually doing about it. You might feel **pulled in opposite directions**—generous impulses clash with practical limits, or you're generous in ways that don't land the way you hoped. Over the coming weeks, small adjustments to how you show up in relationships will feel more natural than pushing harder in any one direction.

☾ Moon * Sextile ♁ natal Chiron

Right now you find it easier to talk about things that usually hurt to mention, and people respond well when you do. Your **natural openness about your own difficulties** gives others permission to be honest too, creating real connection instead of surface small talk. Over the coming weeks, this ease with vulnerability can help you understand your own patterns more clearly and support someone else who needs to hear that they're not alone in their struggle.

☉ Sun △ Trine ♂ Mars

Right now you feel **capable and ready to act** on things you've been thinking about. You have the psychological boost to start projects or push through obstacles without burning out or getting frustrated. This period makes practical effort feel natural instead of forced.

☉ Sun ☌ Opposition ☽ Uranus

Right now you feel a strong urge to break free from rules or routines that usually work fine, and this creates real friction with people around you. You might act impulsively or reject advice you would normally follow, making **sudden decisions without thinking through the practical consequences**. This period brings frustration because what you want to do conflicts with what actually needs to happen, and ignoring either side leaves you stuck.

☉ Sun △ Trine ♄ Chiron

Right now you find it easier to **talk about what actually happened to you** without getting defensive or ashamed. Your practical ability to understand your own patterns improves, and you can explain your mistakes to others without needing to apologize repeatedly. This makes conversations feel clearer and less emotionally exhausting than usual.

LUNAR DAY

Moon in ♋ Cancer · Day 26 / 30 · Last Quarter

Sensitivity to tone and atmosphere runs higher than usual over the next 48 hours, making small remarks feel more significant than intended. **The draw toward home, familiar food, and trusted people** dominates most decisions.
