KEY TRANSIT FACTORS

☉ Sun ☐ Square ♁ Chiron ★

Right now you are more aware of your own weak spots and past hurts, which makes it harder to feel confident in what you're doing. You might find yourself **second-guessing your choices** or feeling like you're not good enough, even when you're performing well. This psychological self-doubt is temporary, but it takes real effort to push through it and keep moving forward.

♄ Saturn ☐ Quincunx ☿ natal Mercury

Right now your thinking feels clumsy and slow compared to how you normally operate. You have to work harder to organize your thoughts or explain yourself clearly, even when you know what you mean. This awkward phase lasts a few weeks and usually passes once you stop fighting the slower pace and just accept that communication takes more effort at the moment.

♆ Neptune ☌ Conjunction ♀ natal Venus

Right now you are **less clear about what you actually want from relationships and attraction**, because *Neptune* is softening the boundaries around your *Venus*. You might find yourself drawn to people or situations that don't match your real values, or you overlook red flags because everything feels romantic and possible. Over the coming weeks, check your choices against what you knew about yourself before this transit started.

☉ Sun ☐ Square ♃ natal Jupiter

These days you are **overestimating what you can accomplish** and taking on too much at once. You feel confident and expansive, but your actual capacity has not changed, so you end up stretched thin and frustrated when reality does not match your ambitions. The gap between your optimism and your real limitations creates practical problems at work or in your commitments that take weeks to sort out.

♀ Venus ☌ Conjunction ♄ natal Saturn

You're noticing that you want deeper, more serious connections right now instead of surface-level socializing. Your relationships feel more **meaningful when they come with real commitment and history**, and you're less interested in people who seem unreliable. This period favors long-term partnerships and practical arrangements over romantic excitement, so if you're single you might attract someone older or more established than usual.

♂ Mars ☌ Semi sextile ♀ natal Venus

These days you feel more **confident when connecting with people** you care about, and small gestures of affection come naturally to you. Your *Mars* is working smoothly with your *Venus*, making it easier to express what you want without being pushy or awkward about it. Over the coming weeks, you might find that conversations flow better and you're less hesitant to take the social initiative.

☉ Sun ☾ Semi sextile ♿ Mercury

These days you find it easier to **say what you actually think** without overcomplicating things or getting stuck in your own head. Your mind and sense of purpose line up naturally, so explaining yourself to others feels straightforward rather than exhausting. This is a good window for conversations, presentations, or decisions where you need to be both clear and confident about what matters to you.

☉ Sun ☾ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.
