KEY TRANSIT FACTORS

♆ Neptune \angle Semi sextile ☿ natal Mercury \star

Right now your thinking becomes **more flexible and open to new ideas**, and you find yourself noticing details you usually miss in conversations and written information. Your mind feels more creative when problem-solving, and you're less likely to dismiss unusual suggestions out of hand. Over the coming weeks, this softer mental state helps you communicate in a gentler way and pick up on what people really mean underneath their words.

☾ Moon \circ Opposition ♂ natal Mars

Your **impatience with others** peaks right now, and you're more likely to snap at people over small things. You feel restless and irritable, especially in situations where you normally stay calm, because your emotional needs clash with your natural drive to act fast. These days the friction between wanting to slow down and wanting to push forward makes everyday interactions harder.

♂ Mars \angle Semi sextile ♃ natal Jupiter

You're finding it easier to take small steps toward things you actually want right now, without overthinking or stalling yourself. **Your natural confidence is subtle but real** — you're more willing to try something new or speak up in a meeting without needing everything to be perfect first. Over the coming weeks, this steady momentum can help you build on projects or goals that felt stuck before.

♄ Saturn qx Quincunx ♀ natal Venus

Over the coming weeks, you may feel **awkward or hesitant in relationships** even though you want to be close to someone. Small gestures of affection or attempts to connect might feel clumsy or poorly timed, leaving you wondering if you are doing things right. This is temporary friction between what you want emotionally and what feels practical or safe right now.

☾ Moon \square Square ♁ natal Chiron

Right now your **emotional defences are getting poked**, and old hurts you thought you'd buried are coming back up. You're more irritable than usual and quicker to feel rejected, especially in conversations where someone disagrees with you or doesn't give you the reaction you wanted. These feelings will pass in a few days or weeks, but while this lasts you'll need to notice when you're snapping at people over small things instead of addressing what's actually bothering you underneath.

♃ Jupiter **Rx** \cdot ♍ Virgo

The expansion of practical systems, health routines, and work habits slows during this period in ways that demand honest assessment. Growth that has been accumulating may need to be reviewed for sustainability. Quality over quantity in your work and health practices rewards you more right now.

☉ Sun \ast Sextile ☾ Moon

These days you find it easier to know what you actually want and then act on it without second-guessing yourself. Your **practical needs and your emotional needs are pointing in the same direction**, so decisions feel less confusing. This alignment between the *Sun* and *Moon* means you can move forward with both confidence and peace of mind.

☉ Sun * Sextile ♂ Mars

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

☉ Sun □ Square ♇ Pluto

Right now you feel **pushed to prove yourself** in ways that feel uncomfortable or unnecessary. Everyone around you seems more irritable, defensive, or bent on getting their way without compromise. This period brings out the part of you that resists being told what to do, and small conflicts can quickly turn into power struggles.

LUNAR DAY

Moon in ♒ Aquarius · Day 25 / 30 · Last Quarter

Emotional detachment increases these days, making abstract discussions and group concerns feel more engaging than personal ones. People respond better to logic than to feeling right now, and the need for independence runs noticeably higher.

CLOTHING & JEWELRY
