KEY TRANSIT FACTORS

♂ Mars ☐ Square ♁ natal Chiron ★

You're more irritable than usual right now, especially when someone points out a mistake or limitation of yours. **You push back harder and faster than normal**, defending yourself before you've even thought it through. Over the coming weeks, this defensive reaction will show you exactly where you're still tender about your own abilities or past failures.

☾ Moon ☐ Square ♅ natal Uranus ★

Right now you feel restless and irritable in ways that don't match your usual mood, making you **snap at people over small things** and struggle to sit still. Your need for sudden change clashes with what you actually need emotionally, so you might suddenly want to quit something or push away someone close to you without being clear why. These feelings will pass in a few days, but while they last you'll need to notice the impulse to act on them rather than act immediately.

♂ Mars ∟ Semi sextile ♄ natal Saturn ★

These days you find it easier to **stick with tasks that require patience and discipline** without feeling frustrated or trapped. Your natural drive from *Mars* aligns gently with your practical limits from *Saturn*, so you can push forward on difficult projects without burning out. Over the coming weeks, this is a good window to tackle something you have been putting off because you now have both the motivation and the realistic patience to see it through.

☿ Mercury ☐ Quincunx ☾ natal Moon ★

Right now your thoughts and your feelings are working at cross purposes, so you say one thing while sensing something different underneath. You might find yourself explaining yourself repeatedly to people because your words do not quite match what you actually feel, creating **awkward misunderstandings in conversations**. Over the coming weeks, paying attention to this gap between what you think and what you feel will help you communicate more clearly.

♂ Mars ☍ Opposition ☉ natal Sun ★

Right now you're running into more resistance than usual, especially from people who see things differently than you do. You might feel **frustrated that others are blocking your plans** or disagreeing with your choices, even when you feel certain you're right. This friction won't last, but these weeks are asking you to slow down and pick your battles instead of pushing forward on every front.

♄ Saturn **Rx** · ♎ Libra

Commitments, contracts, and relationship structures are being reviewed for their genuine fairness and sustainability. Long-standing agreements that have been tolerated rather than honored may surface for honest reassessment. This period asks you to hold yourself to the same standards you expect from others.

☉ Sun ☍ Conjunction ☿ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

☉ Sun ☌ Conjunction ☌ Uranus

At the moment, you feel **restless and impatient with routines that normally work fine**. You might suddenly want to change something about how you look, where you work, or how you spend your time, even if there's no real problem. This push to break free or do something different is normal right now, so notice what you actually want to change versus what's just nervous energy looking for an outlet.

☉ Sun * Sextile ♀ NNode

Right now you find it easier to **say yes to opportunities that feel natural** instead of forcing yourself into situations that do not fit you. People around you notice you are more relaxed about taking small steps forward, and you move with less self-doubt. This period supports you in choosing what actually matches who you are becoming, rather than chasing what you think you should want.

LUNAR DAY

Moon in ♒ Aquarius · Day 27 / 30 · Waning Crescent

Emotional detachment increases these days, making abstract discussions and group concerns feel more engaging than personal ones. People respond better to logic than to feeling right now, and the need for independence runs noticeably higher.
