KEY TRANSIT FACTORS

♁ Chiron ☐ Quincunx ♁ natal NNode

Over the coming weeks, you feel pulled in two directions about your social role and where you fit in. You notice yourself second-guessing decisions about groups or communities you belong to, even though you usually know what you want. This **uncomfortable self-doubt** is temporary, and it often signals that some adjustment to how you present yourself socially is actually needed.

☾ Moon ☐ Square ♀ natal Venus

Right now you feel emotionally out of step with the people closest to you, making it hard to enjoy their company or feel appreciated by them. You may pick fights over small things or withdraw when you normally would reach out, leaving relationships feeling **strained and disconnected**. These days your mood swings can make you seem ungrateful or cold, even when that is not what you intend.

♂ Mars △ Trine ☉ natal Sun

These days you have natural **momentum behind your plans**, and things you start tend to move forward without you having to push as hard. Your physical energy is steady and reliable right now, so you can tackle practical tasks or exercise routines without the usual fatigue getting in the way. The combination of *Mars* and your *Sun* means your confidence and your ability to act are working together, making it easier to do things that actually matter to you.

♅ Uranus ☐ Opposition ♁ natal NNode

You feel pulled away from the people and commitments that usually ground you, and this creates real friction in your relationships and work life. Your instinct right now is to **break free from obligations**, but the timing often catches others off guard, leaving them confused or hurt. Over the coming weeks, you will have to choose between your need for independence and the practical consequences of abandoning plans that matter to the people around you.

♃ Jupiter △ Trine ♀ natal Venus

Right now you're naturally more **generous and open-handed** with people around you, and they notice. You find it easier to say yes to invitations, spend money on things that bring you joy, and let others see you enjoying yourself without guilt. This practical shift in how you move through social situations tends to bring more warmth back to you from the people in your life over these coming weeks.

☉ Sun ☐ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

› **Moon ☾ Quincunx ♀ Mars**

These days you might feel **restless without knowing why**, like your emotions want something your body isn't ready to deliver. Small tasks feel either pointless or urgent depending on your mood, and you could snap at someone over something that wouldn't normally bother you. The mismatch between what you feel like doing and what actually needs doing right now creates a practical friction that's hard to sit with.

› **Moon ☾ Semi sextile ♃ Jupiter**

These days you feel a bit more generous with yourself and others, which makes social situations feel easier and less forced. You're noticing small good things around you more readily, and this **gentle optimism** makes it simpler to ask for help or offer support without overthinking it. The *Moon* and *Jupiter* connection right now creates a quiet permission to be a little kinder to yourself about your limitations.

LUNAR DAY

Moon in ♉ Taurus · Day 24 / 30 · Last Quarter

The pace slows considerably during this transit as comfort and familiar surroundings take priority over efficiency. Resistance to change hardens, and any disruption to routine tends to provoke stubborn pushback.
