## KEY TRANSIT FACTORS

### ☾ Moon △ Trine ♆ natal Neptune ★

Your **imagination feels more accessible right now**, and creative ideas come to you more easily than usual. You're also more **attuned to what people around you need emotionally**, picking up on moods and unspoken feelings without effort. These days your intuition works in your favour, especially when you're making decisions or trying to understand a difficult situation.

### ☿ Mercury qx Quincunx ☾ natal Moon ★

Right now your thoughts and your feelings are working at cross purposes, so you say one thing while sensing something different underneath. You might find yourself explaining yourself repeatedly to people because your words do not quite match what you actually feel, creating **awkward misunderstandings in conversations**. Over the coming weeks, paying attention to this gap between what you think and what you feel will help you communicate more clearly.

### ♅ Uranus ★ Sextile ♀ natal Venus

Right now you are drawn to people and situations that feel fresh and unpredictable, and this **opens you up to new connections** that break your usual patterns. You might suddenly want to try a different look, spend time with unconventional people, or pursue an interest that surprises you. These shifts feel exciting rather than risky because *Uranus* sextile *Venus* makes change feel natural and aligned with what you actually want.

### ♂ Mars qx Quincunx ♊ natal NNode

Over the coming weeks, you may notice yourself **pushing harder toward goals that don't quite fit what you actually want**. Your drive and impatience are working against your natural instincts about which direction makes sense for you. This friction usually passes as you learn to slow down and check whether your effort is pointed the right way.

### ♀ Venus ∟ Semi sextile ☿ natal Mercury

Over the coming weeks, your conversations flow more easily and people respond well to what you say. You find yourself **speaking with more warmth and genuinely interested in what others think**, which makes them want to talk with you. This natural charm in how you communicate opens doors socially and professionally without you having to force anything.

### ☉ Sun □ Square ♊ NNode

These days you feel pulled between who you are right now and who you think you should become, and this gap creates real frustration. You might **resist feedback or advice** because accepting it feels like admitting you are not enough as you are. The practical result is that growth happens anyway, but it costs you energy and confidence in the short term.

### ☾ Moon ∟ Semi sextile ☿ Mercury

These days your thoughts and feelings are **naturally aligned**, so what you say matches what you actually feel inside. You find it easier to explain what is bothering you or what you need without getting confused or defensive. This makes conversations smoother because people understand you the first time instead of having to guess what you mean.

› **Moon \* Sextile ♀ Venus**

Right now you find it easier to **express what you actually feel** without worrying what others will think. People around you respond well because you seem more genuine and relaxed than usual. This is a good period to have honest conversations or do something kind for someone close to you.
