KEY DATE

♂ Mars enters ♏ Scorpio

Mars in *Scorpio* brings **sharper focus** and **longer attention span** — people tend to stick with difficult projects instead of jumping between tasks. In relationships and work, you'll notice more **direct confrontation** of problems that were ignored before, which can clear the air but also creates tension if handled carelessly. *Mars* here makes people **dig deeper** into whatever they're doing, whether that's research, fitness routines, or figuring out why something isn't working.

KEY TRANSIT FACTORS

☉ Sun ☐ Square ♁ natal Chiron ★

These days you're more aware of where you feel inadequate or hurt, and this awareness is uncomfortable rather than helpful. You might find yourself **withdrawing from situations where you feel exposed or judged**, even if no one is actually criticizing you. Over the coming weeks, this self-doubt can make ordinary tasks feel harder than they should be, though it usually passes once the transit moves on.

☿ Mercury ☐ Square ♇ natal Pluto ★

Right now your conversations tend to become intense and you dig into uncomfortable truths that others would rather leave alone. You feel compelled to **expose hidden motives and hidden problems**, which makes people defensive or angry with you. Over the coming weeks, this blunt way of communicating will cost you socially unless you learn to hold back what you think.

♄ Saturn ∟ Semi sextile ♇ natal Pluto

You're finding it easier right now to **follow through on difficult decisions** without second-guessing yourself. The practical support between *Saturn* and *Pluto* gives you the kind of quiet confidence that lets you stick with tough changes once you've committed to them. Over the coming weeks, you'll notice you're less likely to get pulled back into old patterns because you've actually built something solid to replace them.

♂ Mars ☐ Square ♂ natal Mars

Right now you feel **irritable and quick to react** to small frustrations that normally wouldn't bother you. Your impatience makes it hard to work through tasks methodically, and you might snap at people or rush into decisions you later regret. This friction between what you want to do immediately and what actually needs doing tends to create conflict at work and at home over the coming weeks.

♅ Uranus ☐ Opposition ♇ natal Pluto

You're running into situations where you feel your control slipping away, and it makes you uncomfortable. **You push harder to regain power** in exactly the areas where you have the least influence, which only creates more conflict with others. Over the coming weeks, you'll need to notice when you're fighting to keep things the same instead of accepting what you cannot change.

☉ Sun ☌ Conjunction ☾ Moon

These days you feel more **aligned between what you want and what you feel**. Your emotional needs and your sense of direction match up, so you act with fewer doubts and less second-guessing yourself. This is a practical advantage when you need to make a choice or move forward on something that matters to you.

☉ Sun ☐ Square ☌ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☉ Sun ☌ Conjunction ♃ Jupiter

Right now you feel more confident about your abilities and less worried about what could go wrong. You are **more willing to take on bigger challenges** and speak up in situations where you normally stay quiet. This period tends to bring real opportunities your way because you are actually showing up differently, not because of luck.

★ = natal resonance — this transit echoes your birth chart, amplifying its influence
