KEY TRANSIT FACTORS

♁ Chiron ☐ Square ♃ natal Jupiter

Over the coming weeks, your usual confidence in your abilities hits a wall, and you find yourself **doubting decisions you'd normally make without hesitation**. You may overcommit to plans or promises, then realize halfway through that you lack the resources or energy to follow through, leaving you feeling stretched thin. The mismatch between what you think you can do and what actually works in practice becomes impossible to ignore, forcing you to get honest about your real limits.

♂ Mars * Sextile ♇ natal Pluto

Over the coming weeks, you'll notice you can **push through obstacles without burning out** — your drive feels focused rather than reckless. You're likely tackling something you've been avoiding, whether it's a difficult conversation or a project that requires real commitment. This period gives you the psychological clarity to act on your deeper goals without the usual self-doubt getting in the way.

☉ Sun ∟ Semi sextile ☉ natal Sun

You're finding it easier to **speak up about what matters to you** without the usual doubt holding you back. People around you respond well to this quieter confidence, and small wins follow naturally. This supportive influence from *Sun* semi-sextile your natal *Sun* lasts a few weeks and gives you a gentle boost in recognizing your own value.

♀ Venus △ Trine ♅ natal Uranus

These days you feel more comfortable being yourself around others and less worried about what people expect from you. You're **more willing to try new things socially** — whether that's suggesting an unusual date idea, joining a group with different interests, or speaking up with an unpopular opinion. This period brings a natural ease to your relationships because you're relaxed enough to let your actual personality show, and that authenticity tends to draw people toward you.

♂ Mars ☌ Conjunction ♆ natal Neptune

These days you may notice your usual ability to focus has gotten softer, and you find yourself drawn toward activities that feel more open-ended or creative rather than goal-driven. You're more **intuitive about what you want**, but acting on it is harder because you can't quite pin down what your actual target is. Over the coming weeks, this cloudiness will fade, and your normal clarity will return.

☉ Sun ☐ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun * Sextile ♄ Saturn

Right now you find it easier to follow through on what you say you'll do, and people notice you're more reliable than usual. Your practical judgement is sharp, so **you can see what actually needs to happen** instead of getting distracted by what sounds exciting. This is the kind of period where effort pays off directly, so if you've been putting something off, the conditions are there to make real progress without burning yourself out.

☾ Moon ☐ Square ☿ Mercury

Right now your **feelings and thoughts are working against each other**, making it hard to say what you actually mean. You might feel irritated or misunderstood because your emotions are moving faster than your ability to explain them. These days conversations tend to go sideways even when you're trying to be clear, because *Moon* and *Mercury* are pulling in opposite directions.

LUNAR DAY

Moon in ♊ Gemini · Day 8 / 30 · First Quarter

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY

Friday · ♀ Venus · Venus in Aquarius

Friday belongs to Venus — soft pink, rose, or pastel tones attract beauty and harmony. Rose quartz close to the heart enhances warmth and connection throughout the day.
