KEY DATE

♀ Venus enters ♒ Aquarius

Venus in *Aquarius* makes people **less interested in traditional relationship rules** and more drawn to friends, group settings, or unconventional arrangements. In practice, you might notice yourself **valuing independence and honesty** over romantic gestures, or finding that casual friendships suddenly feel more appealing than intense one-on-one bonds. At work and in daily life, this transit brings a **cooler, more detached approach** to money and socialising—you'll likely spend less on impulsive buys and prefer people who let you do your own thing.

KEY TRANSIT FACTORS

♀ Venus ☌ Conjunction ☉ natal Sun ★

These days you feel more **likeable and relaxed in social situations**, and other people tend to respond warmly to you without much effort on your part. You probably care more about how you look and feel, and small gestures of affection or appreciation from others land differently than usual. This window lasts a few weeks, so it's a practical time to repair relationships that have felt cold or to ask for something you want.

☿ Mercury ☌ Quincunx ♄ natal Saturn

Over the coming weeks, you'll notice your thoughts don't quite match what you actually need to do, leaving you feeling slightly off-balance when planning or explaining yourself. You become **more careful with words**, second-guessing what you say before speaking because something feels incomplete or awkward. This mismatch between thinking and doing is temporary, but it teaches you to slow down and check your logic before moving forward.

♆ Neptune △ Trine ♅ natal Uranus

You find yourself **more willing to experiment with unconventional ideas** without the usual anxiety that normally holds you back. Your imagination is practical right now, which means you can actually turn creative impulses into something real instead of dismissing them as too strange or risky. Over the coming weeks, you'll notice you're more comfortable being yourself in social situations and less concerned with fitting into what others expect.

♄ Saturn ☌ Quincunx ☾ natal Moon

These days you feel a mismatch between what you need emotionally and what your life is actually set up to give you. You might find yourself feeling restless or slightly out of sync in your daily routines, or noticing that **your usual comfort strategies stop working the way they normally do**. Over the coming weeks, small adjustments to how you manage your time or handle responsibilities may help you feel more settled again.

♀ Venus ☐ Square ♁ natal Chiron

Right now you're more aware of what you're not getting from the people close to you, and it stings more than usual. You might find yourself **withdrawing from social situations or feeling rejected** even when no one has actually hurt you. Over the coming weeks, this discomfort is pointing you toward recognizing where you've settled for less affection or respect than you actually need.

☉ Sun * Sextile ♂ Mars

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

☉ Sun ♂ Conjunction ♃ Neptune

Right now your sense of what is real gets softer and less clear. You might find yourself **believing things without checking them first** or making decisions based on feelings instead of facts. This is a good time to notice when you are being vague or wishful, and to ask someone you trust whether your view of a situation actually matches what is happening.

☾ Moon * Sextile ♀ Mercury

These days your thoughts feel clearer and your feelings find words more easily than usual. You notice you can **explain what you're going through without getting stuck or defensive**, and other people seem to understand you better. This is a good time to have conversations that matter, because both your head and your heart are on the same team right now.

** = natal resonance — this transit echoes your birth chart, amplifying its influence*
