KEY TRANSIT FACTORS

☿ Mercury * Sextile ☽ natal Uranus *

Your mind is working faster than usual right now, and you naturally spot connections others miss. You find it easier to explain unusual ideas clearly, and people actually listen instead of dismissing you as too different. This is a good window to **pitch new concepts at work, write up those unconventional plans, or have honest conversations about how you want to change things.**

♃ Jupiter ☿ Quincunx ☾ natal Moon

Over the coming weeks you may feel pulled between wanting more comfort and feeling restless with your current situation. Your emotional needs don't quite match what's actually available to you right now, so you keep adjusting your expectations without getting settled. This **mild discomfort with routine** often pushes you to make small changes in how you manage your home or relationships, even if you're not entirely sure what you want.

☾ Moon ☍ Opposition ♃ natal Jupiter

Right now you are **overestimating what you can handle**, and your emotions are pushing you to say yes to things you should refuse. Your mood swings between optimism and disappointment as reality fails to match the promises you made to yourself or others. Over the coming weeks, you'll need to watch your impulse to spend money, make big plans, or commit to too many social obligations while your judgment is temporarily unreliable.

♂ Mars * Sextile ♃ natal Jupiter

You feel **more willing to take action on plans you've been thinking about**, and your confidence in your own judgment is higher than usual. Your efforts tend to pay off more easily during this period, and people around you respond well to your directness and enthusiasm. This is a practical time to push forward with work goals or personal projects that need momentum.

♃ Jupiter ∟ Semi sextile ♆ natal Neptune

Over the coming weeks, you'll find it easier to **notice small details others miss** and pick up on what people really mean when they talk. Your intuition is quieter than usual but more reliable, so you can trust those gut feelings about situations or other people. This is a good time to act on creative ideas or make sense of something confusing because your mind is unusually clear right now.

♃ Jupiter Rx · ♑ Capricorn

Ambitions and long-term structures built on optimistic assumptions are being tested right now. Career growth or institutional commitments that seemed on track may require more realistic adjustment than you had planned. Reviewing what is genuinely working in your long-term strategy before continuing to build is the most productive use of this period.

♄ Saturn Rx · ♑ Capricorn

Ambitions, career structures, and long-term goals are under the most rigorous review possible during this period. Work that has been sustained through discipline alone may now reveal where genuine motivation is missing. This is a demanding but genuinely clarifying period for honest assessment of your long-term direction.

☉ Sun ☿ Quincunx ♄ Chiron

Right now you notice small practical problems in areas where you thought you had things figured out. Your confidence runs into situations that don't quite fit your usual approach, and you have to **adjust your methods rather than push through**. This mismatch between what you expected and what's actually happening is the main feature of these days, and it often leads to useful corrections if you pay attention.

☾ Moon △ Trine ♂ Mars

Right now you feel like acting on what matters to you instead of overthinking it. **Your emotions and your willingness to do things are working together**, so a project you've been hesitant about suddenly feels doable. These days small tasks get done faster and conversations feel easier because you're not second-guessing yourself.

☾ Moon ∟ Semi sextile ♄ Saturn

These days you find it easier to **talk about practical problems without getting swept up in feelings**. The *Moon* and *Saturn* aspect makes emotional conversations feel steadier, so you can say what needs saying without drama. This is a good time to have difficult talks about real things because your head and your heart are working together instead of against each other.
