KEY TRANSIT FACTORS

♂ Mars ☐ Square ♁ natal Chiron ★

You're more irritable than usual right now, especially when someone points out a mistake or limitation of yours. **You push back harder and faster than normal**, defending yourself before you've even thought it through. Over the coming weeks, this defensive reaction will show you exactly where you're still tender about your own abilities or past failures.

♀ Venus ☌ Conjunction ☉ natal Sun ★

These days you feel more **likeable and relaxed in social situations**, and other people tend to respond warmly to you without much effort on your part. You probably care more about how you look and feel, and small gestures of affection or appreciation from others land differently than usual. This window lasts a few weeks, so it's a practical time to repair relationships that have felt cold or to ask for something you want.

☉ Sun ☌ Quincunx ☾ natal Moon

These days you feel slightly out of step between what you want to do and what you actually need emotionally. Your **restlessness shows up as difficulty settling into routines** that normally comfort you, like your usual sleep schedule or time with close people. Over the coming weeks, small adjustments to how you organize your day will help you feel more aligned with yourself.

☉ Sun ☐ Square ♆ natal Neptune

Right now you are **harder to pin down** — your priorities shift without warning and you struggle to follow through on what you said you would do. People around you get frustrated because you seem unreliable, when really you are just confused about what you actually want. These weeks are asking you to get clearer about your real goals instead of drifting between vague possibilities.

☿ Mercury △ Trine ♃ natal Jupiter

These days you find it easier to explain what you actually think, and people tend to listen without getting defensive. Your mind feels **naturally clear and generous**, so you're more likely to ask good questions and give others the benefit of the doubt when you talk. Over the coming weeks, conversations that normally feel strained or circular often just work out, which can smooth things at work or in your relationships.

☉ Sun ☌ Conjunction ♃ natal Jupiter

Right now you feel more confident about your abilities and less worried about what could go wrong. You are **more willing to take on bigger challenges** and speak up in situations where you normally stay quiet. This period tends to bring real opportunities your way because you are actually showing up differently, not because of luck.

☉ Sun ∟ Semi sextile ♄ natal Saturn

These days you find it easier to stick with practical commitments without feeling weighed down by them. **You can be disciplined and follow through** on plans while still enjoying the process instead of resenting it. The light touch between *Sun* and *Saturn* means your natural confidence supports your ability to work steadily toward real goals.

☉ Sun ♂ Conjunction ♆ Neptune

Right now your sense of what is real gets softer and less clear. You might find yourself **believing things without checking them first** or making decisions based on feelings instead of facts. This is a good time to notice when you are being vague or wishful, and to ask someone you trust whether your view of a situation actually matches what is happening.

LUNAR DAY

Moon in ♉ Taurus · Day 6 / 30 · Waxing Crescent

The pace slows considerably during this transit as comfort and familiar surroundings take priority over efficiency. Resistance to change hardens, and any disruption to routine tends to provoke stubborn pushback.

CLOTHING & JEWELRY

Tuesday · ♂ Mars · Venus in Aquarius

Tuesday is ruled by Mars — bold red, burgundy, or deep crimson channel the day's active energy. Ruby or garnet worn close to the body strengthens initiative and courage.
