KEY TRANSIT FACTORS

☉ Sun * Sextile ☉ natal Sun

These days you feel **naturally confident in what you're doing**, and people respond well to that straightforward self-assurance. Your practical efforts tend to work out with less friction than usual, whether that's at work, in a project, or in conversations. This calm support from the transiting *Sun* sextile your natal *Sun* won't solve your problems, but it does make you feel capable and willing to tackle them.

♂ Mars ∠ Semi sextile ☿ natal Mercury

Your mind feels sharper these days, and you're picking up on details you'd normally miss in conversations. **You speak with more directness and confidence**, which helps you get your point across without wasting time on unnecessary words. This is a practical window for tackling projects that need clear thinking or sorting out plans you've been sitting with.

♇ Pluto ⚡ Quincunx ♄ natal Saturn

These days you feel caught between wanting to keep things stable and being pushed to question whether your usual routines actually work anymore. You might find yourself **rewriting rules you've lived by** or suddenly seeing flaws in systems you've trusted, which creates practical awkwardness as you adjust. Over the coming weeks, this friction between your need for control and pressure to change will likely settle once you accept that some old structures need to be rebuilt differently.

♁ Lilith ♂ Conjunction ♃ natal Jupiter

You feel less interested in following rules right now, and you're more willing to say no to people who usually get their way with you. This can feel like freedom, but it also means you might overcommit to things that sound exciting or skip important practical steps because you're **chasing novelty and pushing boundaries**. Over the coming weeks, watch whether you're making real choices or just rebelling for the sake of it.

♀ Venus ♂ Opposition ☾ natal Moon

Right now you're caught between what you want emotionally and what you actually want to do socially, and it's making you feel pulled in opposite directions. You might find yourself either withdrawing from people or overcommitting to them in ways that leave you drained and resentful. These days the practical work is recognizing that your needs and other people's needs won't sync up perfectly, and that's not a sign something is wrong with you.

☉ Sun □ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

› Moon △ Trine ♂ Uranus

These days you feel more willing to try things differently and less stuck by what you usually do. Your emotional reactions are quicker and more **open to change**, so you notice new possibilities instead of going along with the same routines. This makes it easier to break habits or suggest a different approach without it feeling scary or forced.

› Moon □ Square ♄ Chiron

Right now you feel **emotionally raw about old hurts** that you thought were settled, and small rejections hit much harder than they should. You might snap at someone over something minor, or withdraw from people because you expect them to let you down anyway. This feeling usually passes in a day or two, but while it lasts, your emotional skin is thinner and your trust in others takes a real hit.

LUNAR DAY

Moon in ♑ Capricorn · Day 23 / 30 · Last Quarter

Focus narrows toward responsibilities and unfinished obligations during this transit, with less tolerance for distraction or small talk. The emotional tone becomes more reserved and measured for the next 48 hours.
