KEY TRANSIT FACTORS

☾ Moon ☿ Quincunx ♃ natal Mercury ★

Over the coming weeks, you find it hard to say exactly what you mean even though you know what you're thinking. Your words come out **awkward or incomplete**, and people sometimes misunderstand you or ask you to repeat yourself. This mismatch between what's in your head and what comes out of your mouth will pass, but right now it's worth slowing down and checking that others actually understand you before moving on.

♂ Mars ☉ Opposition ☉ natal Sun ★

Right now you're running into more resistance than usual, especially from people who see things differently than you do. You might feel **frustrated that others are blocking your plans** or disagreeing with your choices, even when you feel certain you're right. This friction won't last, but these weeks are asking you to slow down and pick your battles instead of pushing forward on every front.

☾ Moon ☐ Square ♄ natal Uranus ★

Right now you feel restless and irritable in ways that don't match your usual mood, making you **snap at people over small things** and struggle to sit still. Your need for sudden change clashes with what you actually need emotionally, so you might suddenly want to quit something or push away someone close to you without being clear why. These feelings will pass in a few days, but while they last you'll need to notice the impulse to act on them rather than act immediately.

☾ Moon * Sextile ♇ natal Pluto ★

Right now you find it easier to talk about things that usually feel too difficult or personal. Your **willingness to be honest** about what you actually feel creates real connection with the people around you. Over the coming weeks, this openness helps you work through old emotional patterns without getting stuck in them.

☾ Moon △ Trine ♆ natal Neptune ★

Your **imagination feels more accessible right now**, and creative ideas come to you more easily than usual. You're also more **attuned to what people around you need emotionally**, picking up on moods and unspoken feelings without effort. These days your intuition works in your favour, especially when you're making decisions or trying to understand a difficult situation.

☉ Sun ☐ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

♿ Mercury * Sextile ♃ Jupiter

These days your thinking feels clearer and you naturally find words that actually land with people instead of causing friction. You're picking up on details you'd normally miss, and your mind keeps making useful connections between different ideas. This is a good time to have important conversations, write something down, or pitch an idea because people are listening with an open mind right now.

♀ Venus ♂ Conjunction ♆ Neptune

These days you might feel **less interested in practical details** when it comes to relationships and money. You could make choices based on how something feels rather than checking the facts, which sometimes works out and sometimes does not. *Venus* and *Neptune* meeting like this softens your usual judgment, so pay attention if someone is asking you to commit to something without clear information.

LUNAR DAY

Moon in ♌ Leo · Day 8 / 30 · Waxing Crescent

The social atmosphere becomes more expressive these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.
