KEY DATE

☉ Sun enters ♊ Gemini

Sun in *Gemini* brings a **shift toward curiosity and talking things through** — you'll notice people asking more questions, starting conversations they'd normally skip, and wanting to understand how things work. At work and in relationships, **communication becomes easier and faster**, though the downside is that people scatter their attention across more projects and topics than they can actually finish. **Short trips, emails, and quick decision-making** pick up noticeably during this month, so if you've been putting off organizing your schedule or catching up with contacts, this is when that restless energy makes it feel natural.

KEY TRANSIT FACTORS

♁ Chiron △ Trine ♄ natal Saturn ★

You are finding it easier to accept your own limitations without feeling like you have failed. **You take a practical approach to your weaknesses** and see them as useful information rather than proof of inadequacy. Over the coming weeks, this shift in perspective makes it simpler to plan realistic goals and stick to them without the usual self-criticism getting in your way.

♁ Chiron □ Square ♂ natal Mars ★

Right now you're running into situations where your usual way of pushing forward feels blocked or clumsy, and you're **second-guessing your own strength**. You might notice old injuries or physical vulnerabilities flaring up, or you feel awkward and uncertain when you'd normally act with confidence. Over the coming weeks, this friction between doubt and action can actually show you where you're forcing things instead of thinking them through first.

☉ Sun * Sextile ♂ natal Mars

Right now you feel **purposeful and able to act on what matters to you**, and tasks that usually feel like a drag become easier to start. Your practical energy is flowing, so this is a good time to tackle projects at work or home that need your direct effort and attention. Over the coming weeks, you're likely to notice people respond better to your straightforward approach and genuine confidence.

♅ Uranus ∠ Semi sextile ♁ natal Chiron

These days you're noticing that your old vulnerabilities are becoming less raw, and you actually have the mental space to think about them differently. You're picking up on small practical shifts—maybe you're finally willing to try a new approach to something that used to trip you up, or you're seeing humor in a situation that once felt painful. This window won't last long, but it's giving you a real chance to experiment with new responses before you slide back into your usual patterns.

☾ Moon ♀ Opposition ☉ natal Sun

Right now you feel **pulled in opposite directions between what you want and what others need from you**. Your usual confidence takes a dip, and you second-guess decisions you would normally make without hesitation. These tensions with people around you are real—they're reflecting back something about what you're not giving yourself permission to want.

☉ Sun * Sextile ☾ Moon

These days you find it easier to know what you actually want and then act on it without second-guessing yourself. Your **practical needs and your emotional needs are pointing in the same direction**, so decisions feel less confusing. This alignment between the Sun and Moon means you can move forward with both confidence and peace of mind.

☉ Sun ∟ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun ∟ Semi sextile ♂ Mars

These days you feel **motivated to take small steps forward** without forcing things or burning out. Your practical energy matches what you actually want to do right now, so starting a project or having a difficult conversation feels less exhausting than usual. This is a good window to build momentum on something you care about while the effort still feels natural.
