KEY TRANSIT FACTORS

♇ Pluto * Sextile ♆ natal Neptune ★

While this lasts, you find it easier to **see through confusion and spot what's actually real** in situations that usually feel murky to you. Your intuition sharpens without becoming unreliable, so you can trust your gut feelings more than usual. This is a good time to make decisions about things you've been uncertain about, because you're cutting through the fog naturally.

☿ Mercury qx ♀ Quincunx ☾ natal Moon ★

Right now your thoughts and your feelings are working at cross purposes, so you say one thing while sensing something different underneath. You might find yourself explaining yourself repeatedly to people because your words do not quite match what you actually feel, creating **awkward misunderstandings in conversations**. Over the coming weeks, paying attention to this gap between what you think and what you feel will help you communicate more clearly.

☿ Mercury ∟ Semi sextile ♆ natal Neptune ★

Right now your mind is picking up on things you normally miss, and you're finding it easier to **connect the dots between different ideas**. Your conversations have a natural flow to them these days because *Mercury* and *Neptune* are working together to make your words feel intuitive and gentle. Over the coming weeks this can help you explain complicated feelings or understand what someone else really means beneath what they're saying.

☿ Mercury ◻ Square ♇ natal Pluto ★

Right now your conversations tend to become intense and you dig into uncomfortable truths that others would rather leave alone. You feel compelled to **expose hidden motives and hidden problems**, which makes people defensive or angry with you. Over the coming weeks, this blunt way of communicating will cost you socially unless you learn to hold back what you think.

♀ Venus ♂ Conjunction ☉ natal Sun ★

These days you feel more **likeable and relaxed in social situations**, and other people tend to respond warmly to you without much effort on your part. You probably care more about how you look and feel, and small gestures of affection or appreciation from others land differently than usual. This window lasts a few weeks, so it's a practical time to repair relationships that have felt cold or to ask for something you want.

☉ Sun △ Trine ♁ NNode ★

Right now you find it easier to **do what actually suits you** instead of what you think you should do. People around you notice you seem more confident in small choices, like speaking up in meetings or trying something new without overthinking it. This period supports you in building habits and friendships that feel genuinely right for your life.

♃ Jupiter Rx · ♉ Taurus

Material growth and financial expansion slow during this period, encouraging a more careful review of resources and values. Over-commitments made in a spirit of optimism may now feel burdensome. Consolidating what you have is more productive now than reaching for more.

♄ Saturn Rx · ♌ Leo

Ambition and the structures supporting creative or public expression face an honest review during this period. Recognition that has been slow to arrive may be prompting important reassessment of your goals or methods. Internal validation serves you more right now than seeking external acknowledgment.

☉ Sun ☐ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun ∟ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.
