KEY TRANSIT FACTORS

♄ Mercury ☿ Quincunx ☾ natal Moon · peak 1 Feb ★

Right now your thoughts and your feelings are working at cross purposes, so you say one thing while sensing something different underneath. You might find yourself explaining yourself repeatedly to people because your words do not quite match what you actually feel, creating **awkward misunderstandings in conversations**. Over the coming weeks, paying attention to this gap between what you think and what you feel will help you communicate more clearly.

♊ NNode ♂ Conjunction ♁ natal Lilith · peak 26 Feb

These days you are more willing to say no to people and situations that feel wrong to you, even if it disappoints others. You notice yourself **setting boundaries without guilt** in ways that used to feel risky or selfish. This shift in your practical relationships will likely last several weeks as you test out what it actually feels like to prioritize your own comfort.

♆ Neptune △ Trine ♄ natal Saturn · peak 21 Feb

Right now you find it easier to stick with practical plans without getting frustrated by delays or setbacks. **You stay calm under pressure** and actually follow through on responsibilities that usually feel like a burden. This period gives you a real chance to build something solid, whether that's finishing a project, organizing your life, or keeping commitments you normally struggle to maintain.

♊ NNode * Sextile ♄ natal Chiron · peak 20 Feb

Over the coming weeks, you find it easier to **talk openly about past hurts without getting stuck in them**. People respond well when you share something real about yourself because you're no longer defending or minimizing what happened. This practical shift in how you communicate creates real opportunities to connect with others on an honest level.

♃ Jupiter * Sextile ♊ natal NNode · peak 22 Feb

Over the coming weeks, you find it easier to say yes to opportunities that align with what you actually want to do. You're less hesitant about taking small steps toward goals you've been thinking about, and **people around you tend to be more supportive when you ask for help or feedback**. This isn't about luck—it's that you're acting with more confidence, and others respond to that.

♅ Uranus * Sextile ♊ natal NNode · peak 28 Feb

Right now you find it easier to **take practical steps toward the things you actually want to do**, without overthinking or second-guessing yourself. People around you notice you seem more willing to experiment with new approaches, and you're picking up on opportunities that would normally pass you by. This period works well for making small changes to your routine or trying something you've been curious about but hesitant to attempt.

♅ **Pluto** * **Sextile** ♄ **natal Saturn** · peak 28 Feb

You find it easier right now to **follow through on difficult commitments** without burning out or second-guessing yourself. The combination of *Pluto* and *Saturn* gives you practical resolve rather than harsh self-criticism, so you can push toward your goals without feeling punished for it. Over the coming weeks, you may notice you're getting real results from work you started months ago, and that feels genuinely good.

♁ **NNode** ∠ **Semi sextile** ♂ **natal Mars** · peak 28 Feb

Over the coming weeks, you find yourself **more willing to take small risks and speak up for what you want**. People around you seem to respond better to your directness, and you notice you're not second-guessing yourself as much. This is a natural window where your practical confidence gets a gentle push forward, making it easier to pursue goals you've been putting off.

♄ **Saturn** □ **Square** ☉ **natal Sun** · peak 12 Feb

Right now you feel less confident than usual and more aware of your limits. Your **self-doubt shows up in real ways** — you hesitate before speaking up, you second-guess decisions you would normally make quickly, and you notice people responding to this hesitation by taking the lead instead. This period asks you to do practical work on your confidence, not by ignoring the doubts but by acting despite them.

♅ **Pluto** □ **Square** ♂ **natal Mars** · peak 1 Feb

You are feeling blocked when you try to act on what you want, and small frustrations can trigger **sudden intense anger** that surprises even you. Your usual way of getting things done meets resistance from other people or from circumstances, leaving you feeling powerless and resentful. Over the coming weeks, you will need to pay attention to where you are actually pushing too hard instead of assuming others are the problem.

♃ **Jupiter** * **Sextile** ♀ **natal Venus** · peak 1 Feb

These days you find it easier to say yes to social invitations and connect with people who matter to you. You feel **naturally generous** with your time and attention, which makes others want to be around you more. This period is ideal for deepening friendships, starting new relationships, or simply enjoying the company you keep without forcing anything.

♆ **Neptune** ☾ **Opposition** ♃ **natal Jupiter** · peak 1 Feb

Your usual confidence in your own judgment is shaky right now, and you are more likely to **ignore warning signs or minimize real problems** because you want to believe things will work out on their own. Over the coming weeks, your optimism can actually cost you money or damage relationships if you skip practical steps like checking facts, reading contracts, or having honest conversations. The challenge here is to slow down your natural tendency to assume the best and actually verify what people are telling you before you commit.

♆ **Neptune** ♁ **Quincunx** ♂ **natal Mars** · peak 28 Feb

Over the coming weeks, you may find your usual drive and confidence feel slightly out of sync with what's actually happening around you. Your instinct to act or push forward keeps bumping up against situations that need a softer touch or more patience than you'd normally give them. **You're more likely to second-guess your own strength**, which can work either way—sometimes holding back saves you trouble, and sometimes it just creates frustration with yourself.

♄ **Saturn** □ **Square** ♀ **natal Venus** · peak 12 Feb

Right now you feel **withdrawn and critical** about your relationships, noticing flaws that bother you more than usual. People may seem demanding or disappointing, and you're less interested in socializing or physical affection during this period. This temporary hardness comes from *Saturn* pressing on your *Venus*, making emotional closeness feel like work rather than pleasure.

♃ **Jupiter** * **Sextile** ☉ **natal Sun** · peak 1 Feb

These days you feel more **confident in yourself** and people around you seem to notice it too. You're more willing to take on new projects or speak up in situations where you'd normally hold back, and things tend to work out better than expected. This period is ideal for asking for what you want—whether that's at work, in relationships, or for a personal goal—because you're coming across as genuinely assured rather than pushy.

KEY DATES

Tue, 1 Feb ♅ Pluto stations Retrograde

♁ Chiron stations Direct

♅ Pluto ☐ Square ♂ natal Mars

♃ Jupiter * Sextile ♀ natal Venus

When *Pluto* stations retrograde, expect **delays or reversals** in situations involving power, money, or control — contracts may stall, workplace dynamics shift, or financial decisions get reconsidered. *Pluto* retrograde typically brings **hidden information to light**, so old problems resurface and you notice patterns you missed before, especially around who has influence over what. Over the next months, **internal work matters more than external action** — pushing hard on big changes usually backfires, but reviewing past choices and adjusting your approach actually works.

Sat, 12 Feb ♄ Saturn stations Retrograde

♄ Saturn ☐ Square ☉ natal Sun

Saturn stationing retrograde means **delays and reviews become the pattern** for the next few months in work, responsibilities, and long-term plans. When this planet appears to move backward, people commonly experience **slowdowns in projects, contracts, or official processes** — deadlines shift, approvals take longer, and progress feels stuck even when you're putting in effort. The practical shift is to **focus on fixing past mistakes** and tightening up weak spots in your systems rather than pushing hard for new starts during this time.

Sun, 13 Feb New Moon in Aquarius

♊ NNnode * Sextile ♁ natal Chiron

Mon, 14 Feb ☿ Mercury enters ♒ Aquarius

Mercury in *Aquarius* brings **clearer, more direct communication** — people tend to say what they actually think instead of softening their words, which works well in meetings but can feel blunt in casual conversations. At work and in friendships, you'll notice **more focus on logic and ideas** rather than emotions, making this a good time for problem-solving but a trickier period if someone needs emotional support. *Aquarius* also pushes thinking toward the **bigger picture**, so conversations shift from daily complaints to plans, systems, and what-if scenarios that feel more interesting but less immediately practical.

Sat, 19 Feb ☉ Sun enters ♋ Pisces

The Sun moving into *Pisces* shifts attention toward **listening and flexibility** for the next month, making people naturally more **willing to adjust plans** instead of pushing forward rigidly. At work and in relationships, you'll notice others become **harder to pin down** — deadlines slip, people change their minds, and vague agreements replace firm commitments, which requires patience rather than frustration. *Pisces* season softens the usual drive to compete or win, so **collaboration and going with the flow** tend to work better than direct pressure during this time.

Sun, 20 Feb ♊ NNnode * Sextile ♁ natal Chiron

♅ Uranus * Sextile ♊ natal NNnode

♅ Pluto * Sextile ♄ natal Saturn

Mon, 21 Feb ♆ Neptune △ Trine ♄ natal Saturn

♄ Saturn ☐ Square ☉ natal Sun

Tue, 22 Feb ♃ Jupiter * Sextile ♊ natal NNnode

Wed, 23 Feb ♀ Venus enters ♈ Aries

Venus in *Aries* tends to make people more **direct about what they want**, especially in relationships and social situations where they'd normally hold back. You might notice yourself **speaking up sooner** instead of waiting or overthinking, and others responding to that straightforward approach. At work and in friendships, this transit often brings **faster decisions** and less time spent on small talk or people-pleasing.

Fri, 25 Feb ♂ Mars enters ♈ Aries

Mars in *Aries* brings **directness and speed** to how people push for what they want, whether at work or in conversations. You'll notice people **act faster** on decisions and speak up more bluntly instead of holding back, which can get things done quickly but also create friction if someone feels steamrolled. In practical terms, this is when **competition heats up** — at the gym, in meetings, on projects — and people have less patience for delays or obstacles.
