♁ Lilith	in ♋ Cancer	0°51'45"	I

KEY TRANSIT FACTORS

♀ Venus ☿ Conjunction ☉ natal Sun · peak 12 Dec ★

These days you feel more **likeable and relaxed in social situations**, and other people tend to respond warmly to you without much effort on your part. You probably care more about how you look and feel, and small gestures of affection or appreciation from others land differently than usual. This window lasts a few weeks, so it's a practical time to repair relationships that have felt cold or to ask for something you want.

☿ Mercury ☿ Quincunx ☾ natal Moon · peak 19 Dec ★

Right now your thoughts and your feelings are working at cross purposes, so you say one thing while sensing something different underneath. You might find yourself explaining yourself repeatedly to people because your words do not quite match what you actually feel, creating **awkward misunderstandings in conversations**. Over the coming weeks, paying attention to this gap between what you think and what you feel will help you communicate more clearly.

♇ Pluto ☐ Square ♇ natal Pluto · peak 24 Dec

Right now you are **fighting against your own need to control things**, and this makes everyday situations feel like power struggles. You might find yourself pushing harder in relationships or at work, only to meet resistance that frustrates you more. While this lasts, the practical lesson is that forcing your agenda does not work—stepping back and observing what is actually happening around you will show you where you have real influence and where you do not.

♃ Jupiter * Sextile ☾ natal Moon · peak 6 Dec

Right now you feel **more at ease with what you're feeling**, and that ease spreads to how you treat the people around you. You're quicker to laugh, more patient with complaints from family or friends, and you actually listen instead of just waiting for your turn to talk. Over the coming weeks, this emotional looseness often leads to real conversations that improve your relationships or help someone feel heard by you.

♇ Pluto * Sextile ♅ natal Uranus · peak 6 Dec

Right now you find yourself **willing to act on ideas you've been sitting with for months**, and the practical timing seems to line up surprisingly well. You're more comfortable than usual taking small risks or changing routines that no longer work, and people around you notice you seem decisive instead of stuck. These days this period gives you real momentum to experiment with new approaches in your work or daily habits without the usual second-guessing holding you back.

♆ Neptune ☿ Quincunx ♁ natal NNode · peak 1 Dec

Over the coming weeks, you may find it harder to stick to your usual social routines and feel less sure about which people or groups really matter to you. Your sense of direction in friendships becomes **less clear and more fluid**, making it difficult to commit to plans or decide where you genuinely belong. This is a good time to notice which connections feel off or forced rather than act on those feelings right away.

♃ Jupiter * Sextile ♆ natal Neptune · peak 5 Dec

Over the coming weeks, you find it easier to **trust your intuition without overthinking**, and this quieter confidence actually helps you make better decisions in practical situations. Your imagination feels less chaotic right now, and you can use creative ideas to solve real problems at work or in your relationships instead of getting lost in them. This is a good window to act on something you've been imagining or planning, because your instincts and your common sense are actually working together.

♄ Saturn △ Trine ☾ natal Moon · peak 1 Dec

These days you find it easier to **stay calm when things go wrong**, because you're not getting swept up in panic the way you normally do. Your emotions feel more manageable and you can actually sit with difficult feelings instead of rushing to fix them or push them away. This stability gives you real space to think clearly about what you actually need, and people around you probably notice you're more grounded and reliable right now.

♃ Jupiter ♂ Conjunction ♇ natal Pluto · peak 1 Dec

Right now you are drawn to situations where you can take charge and reshape things that feel stalled or broken. You may push harder than usual to gain control over a project, relationship, or part of your life that frustrates you—and **your determination is real, but you risk overwhelming others or moving too fast**. Over the coming weeks, notice whether you are solving actual problems or simply trying to force change for its own sake.

♄ Saturn ♂ Conjunction ♆ natal Neptune · peak 1 Dec

Right now you feel less inclined to daydream or escape into fantasy, and instead want to deal with practical reality. You may notice that vague plans or wishful thinking that once appealed to you now feel pointless, making you **more direct and realistic about what you can actually accomplish**. Over the coming weeks, this clarity can help you sort out which goals are worth your time and which ones were just pleasant distractions.

♁ NNode ♃ Quincunx ♀ natal Venus · peak 31 Dec

Right now you're noticing a mismatch between what you want in relationships and what actually feels right for you. You might say yes to social invitations or romantic gestures while feeling oddly disconnected from them at the same time. Over the coming weeks, pay attention to what your gut is telling you about your connections, because your head and heart aren't quite lined up.

♇ Pluto ∟ Semi sextile ♆ natal Neptune · peak 31 Dec

You find it easier right now to **notice patterns in situations that confused you before**, especially in relationships or creative projects where things felt murky. Your practical judgment sharpens, letting you spot what's actually happening underneath surface appearances rather than getting lost in assumptions. This clarity lasts only a few weeks, so it's a good time to make decisions about situations you've been uncertain about.

♃ Jupiter ∟ Semi sextile ♃ natal Uranus · peak 1 Dec

Over the coming weeks, you feel **more willing to try new approaches** without abandoning what already works for you. Small opportunities for practical change show up in your routines, and you have the confidence to test them out. This is a good time to experiment with a new habit or way of doing something because the risk feels manageable and the potential payoff feels real.

♇ Pluto ♃ Quincunx ☾ natal Moon · peak 31 Dec

These days you feel like your emotions don't quite fit the situation, so you keep adjusting how you respond to people without really understanding why. Your instinct is to **control how much you show of yourself**, which can leave you feeling disconnected even in conversations that matter. Over the coming weeks, noticing this pattern of holding back will help you figure out what you actually need rather than just managing what others might think.

♇ Pluto ♂ Conjunction ☿ natal Mercury · peak 1 Dec

Right now you're thinking much more carefully about what you say and believe, and you may question ideas that once seemed obvious to you. Conversations become **more intense and searching** because you're not satisfied with surface-level answers anymore. Over the coming weeks, expect to revise how you communicate or what you're willing to talk about openly.

** = natal resonance — this transit echoes your birth chart, amplifying its influence*

LUNATIONS

○ Full Moon · Tuesday, 13 Dec

in ♊ Gemini

information peak, scattered focus, mental overload

in H12 — Inner Life & Solitude

Something hidden is surfacing. This full moon illuminates **the private, unconscious, and carefully concealed aspects of your life** — old emotional patterns, self-sabotaging habits, or matters you've kept from even yourself. This is one of the most psychologically significant lunations and often coincides with a release of something that has been draining you in private. What comes to light now, though it may be uncomfortable, ultimately creates space for genuine renewal.

● New Moon · Thursday, 29 Dec

in ♄ Capricorn

long-term goals, ambition, structural reset

in H7 — Partnerships

A significant new chapter in your one-on-one relationships is beginning. Whether in **romantic partnership, business collaboration, or important agreements**, this lunation plants seeds that will mature over the next six months. The people you meet or commit to now carry lasting significance. If you've been considering a serious conversation with a partner or are ready to formalize a collaboration, this is the most supportive moment to take that step.

KEY DATES

Thu, 1 Dec † Chiron stations Direct

‡ Saturn △ Trine ☾ natal Moon

♃ Jupiter ♂ Conjunction ♅ natal Pluto

‡ Saturn ♂ Conjunction ♆ natal Neptune

Chiron stationing direct means the **healing or learning process** you've been stuck on for months finally **moves forward again**, and you'll notice progress in whatever area felt frozen or repetitive. In practice, **clarity returns** about what actually helps—whether that's a health choice, a skill you're rebuilding, or how to handle a recurring problem—because you can see the full pattern now instead of going in circles. *Chiron* direct also lets you **stop second-guessing** what you've already figured out and start acting on those realizations, even if the fix isn't perfect.

Sat, 3 Dec ☿ Mercury enters ♄ Capricorn

Mercury entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

Mon, 5 Dec ♃ Jupiter * Sextile ♆ natal Neptune

Tue, 6 Dec ♃ Jupiter * Sextile ☾ natal Moon

♅ Pluto * Sextile ♂ natal Uranus

Thu, 8 Dec ♀ Venus enters ♒ Aquarius

Venus in *Aquarius* makes people **less interested in traditional relationship rules** and more drawn to friends, group settings, or unconventional arrangements. In practice, you might notice yourself **valuing independence and honesty** over romantic gestures, or finding that casual friendships suddenly feel more appealing than intense one-on-one bonds. At work and in daily life, this transit brings a **cooler, more detached approach** to money and socialising—you'll likely spend less on impulsive buys and prefer people who let you do your own thing.

Tue, 13 Dec Full Moon in Gemini

Mon, 19 Dec ☿ Mercury stations Retrograde

♂ Mars enters ♓ Pisces

♅ Pluto * Sextile ♂ natal Uranus

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.

Wed, 21 Dec ☼ Sun enters ♄ Capricorn

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

Sat, 24 Dec ♅ Pluto □ Square ♅ natal Pluto

Thu, 29 Dec ♂ Uranus stations Direct

New Moon in Capricorn

Uranus turning direct after months backward means **stuck situations finally shift** — delays in tech, contracts, or unusual projects resume their forward motion. What felt **blocked or confusing** about your routines, friendships, or work systems becomes **clearer to act on** now that the planet moves the way it normally does. Most people notice they can **make real changes** instead of just thinking about them, whether that's switching jobs, updating systems, or ending relationships that went nowhere during the retrograde.
