## KEY TRANSIT FACTORS

### ☿ Mercury ☐ Square ☾ natal Moon

Your thoughts and words are working against your emotional needs right now, so you feel frustrated when you try to explain how you actually feel. You say one thing but mean another, or you second-guess yourself mid-sentence, which makes people misunderstand you or dismiss what matters to you. Over the coming weeks, pay attention to the gap between what you think you should say and what you actually need—because **rushing to explain yourself** will only make the disconnect worse.

### ♅ Uranus \* Sextile ☿ natal Mercury

Right now your mind is unusually **quick to spot patterns and make unexpected connections** between ideas that normally seem separate. You find yourself asking better questions in conversations and coming up with solutions that feel genuinely original rather than recycled. Over the coming weeks, this clarity gives you real confidence to speak up in meetings or try explaining something you've been hesitant to tackle before.

### ♃ Jupiter ☉ Opposition ☾ natal Moon

Right now you're likely feeling **emotionally restless and dissatisfied** with your current situation, even when things are objectively fine. You may overcommit yourself or make promises you can't keep because you're chasing something bigger without checking what you actually need. Over the coming weeks, your impatience with small comforts or familiar routines could strain your closest relationships if you're not honest about what's driving this urge to escape.

### ♆ Neptune ∟ Semi sextile ♆ natal Neptune

Your **intuition about people feels unusually reliable** right now, and you find yourself noticing things others miss in conversations and social situations. You're picking up on subtle emotional cues without trying, which makes you more naturally attuned to what others actually need rather than what they say they need. This quiet perceptiveness helps you connect with people in a genuine way and gives your relationships a softer, more understanding quality over these coming weeks.

### ♀ Venus ☐ Square ☾ natal Moon

Right now you're more critical of the people close to you, especially about how they show affection or support you. You might push away someone who's trying to help because you **feel disconnected from what they're offering**, even if it's genuinely good. This frustration can make you withdraw or say things you regret, so it helps to notice when you're in this mood before you act on it.

### ♀ Venus Rx • ♒ Aquarius

The role of freedom and individuality in your closest relationships comes into sharp focus during this period. Connections that require too much compromise of your independence feel unsatisfying now. Use this time to clarify what you genuinely need in partnership rather than settling for what is available.

☉ Sun ☐ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

☉ Sun △ Trine ♃ Chiron

Right now you find it easier to **talk about what actually happened to you** without getting defensive or ashamed. Your practical ability to understand your own patterns improves, and you can explain your mistakes to others without needing to apologize repeatedly. This makes conversations feel clearer and less emotionally exhausting than usual.

☉ Sun ♀ Opposition ♁ NNode

Right now you are **pulled between what feels safe and what pushes you forward**, and this friction makes decision-making harder than usual. You notice yourself either clinging to familiar routines or suddenly abandoning them, without finding a middle ground that actually works. Over the coming weeks, this disconnect between your comfort zone and growth will keep surfacing in practical situations, forcing you to pick a direction instead of staying stuck.

Moon in ♋ Cancer · Day 16 / 30 · Full Moon
