## KEY TRANSIT FACTORS

### ♃ Jupiter ☐ Square ♄ natal Saturn ★

Right now you're caught between wanting to expand and feeling held back by practical limits. You may **overcommit yourself** and then run into real obstacles that force you to cut back, leaving you frustrated. These next weeks will test whether you can push forward responsibly or if you'll waste energy fighting against real constraints.

### ☿ Mercury \* Sextile ♇ natal Pluto ★

Right now your mind is working at a level that lets you see through problems to what's actually driving them. You're able to ask better questions and listen more carefully to what people really mean, which makes conversations feel more honest and useful. This period is ideal for tackling complicated topics at work or sorting through decisions you've been sitting on, because your thinking is both clear and intuitive.

### ♃ Jupiter △ Trine ☾ natal Moon ★

Right now you find it easier to feel **emotionally settled and optimistic** about your life, even when things aren't perfect. People around you respond to this shift, and you attract more genuine support and kindness without having to ask for it. Over the coming weeks, you're likely to make decisions about your home, family, or personal comfort that actually work out well because you're listening to what you truly need instead of what you think you should want.

### ♆ Neptune ∟ Semi sextile ♇ natal Pluto

These days you find it easier to **let go of control** in situations where you've been holding tight for too long. Small shifts in your practical routines or relationships feel natural rather than forced, as if you're finally allowing things to move at their own pace. Over the coming weeks, this lighter approach helps you see what actually needs to change and what you can safely release.

### ♃ Jupiter ☐ Square ☿ natal Mercury

Your mind is working faster than your mouth right now, and people find you hard to follow. You jump between ideas, interrupt conversations, and make promises you cannot keep because you are overestimating what you can handle. The gap between what you think you can do and what is actually realistic will create real problems at work or in your relationships over the coming weeks.

### ☉ Sun \* Sextile ☾ Moon

These days you find it easier to know what you actually want and then act on it without second-guessing yourself. Your **practical needs and your emotional needs are pointing in the same direction**, so decisions feel less confusing. This alignment between the *Sun* and *Moon* means you can move forward with both confidence and peace of mind.

### ☉ Sun ∟ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.
