KEY TRANSIT FACTORS

♇ Pluto ☿ Opposition ☾ natal Moon

You feel **emotionally raw and defensive** right now, as though people are pushing you in ways that make you want to pull back completely. Your usual comfort sources—routines, familiar people, safe spaces—start to feel suffocating or unreliable, forcing you to ask hard questions about what you actually need. Over the coming weeks, this discomfort can push you toward real change, but only if you stop resisting and start paying attention to what's actually bothering you.

♁ Chiron △ Trine ♊ natal NNode

Over the coming weeks, you find it easier to **talk openly about your past struggles** without feeling ashamed or stuck. People around you respond well because you're speaking from real experience rather than theory. This practical honesty about what you've learned from difficulty actually helps others feel less alone in their own problems.

♄ Saturn * Sextile ♊ natal NNode

You are finding it easier to stick with commitments that actually matter to you right now, whether that's a project, a relationship, or a personal goal. **Your ability to follow through** feels natural instead of forced, and people around you notice you are more reliable than usual. This period gives you real momentum to build something solid that aligns with where you actually want to go.

☿ Mercury △ Trine ♇ natal Pluto

Right now you can see through surface-level explanations and ask the questions that actually matter. Your mind feels sharper when it comes to **spotting what's really going on** beneath people's words or situations. Over the coming weeks, this clarity helps you communicate difficult truths in a way others can actually hear.

♆ Neptune □ Square ♄ natal Saturn

Right now you are caught between wanting to relax your standards and needing to stick to them, which leaves you feeling unsettled about practical decisions. You might find yourself **avoiding commitment or clarity** on important matters because the effort feels pointless, or you second-guess rules and boundaries you normally trust. Over the coming weeks, this friction between *Neptune's* pull toward looseness and *Saturn's* demand for structure can make you feel like you are either too rigid or too adrift in your own life.

☉ Sun □ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☉ Sun □ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

☉ Sun ☐ Square ♃ Chiron

Right now you are more aware of your own weak spots and past hurts, which makes it harder to feel confident in what you're doing. You might find yourself **second-guessing your choices** or feeling like you're not good enough, even when you're performing well. This psychological self-doubt is temporary, but it takes real effort to push through it and keep moving forward.

LUNAR DAY

Moon in ♐ Sagittarius · Day 24 / 30 · Last Quarter

Restlessness with routine increases during this transit, and the desire to break out of familiar patterns grows. Opinions get expressed more freely and with less filtering for the next day or two.
