## KEY TRANSIT FACTORS

### ♆ Neptune Δ Trine ☾ natal Moon

Right now your **emotional intuition is unusually reliable**, and you find yourself understanding what people need without them having to spell it out. Your relationships feel more natural and less effortful during this period, as if you are picking up on unspoken feelings with ease. Over the coming weeks, this sensitivity works in your favour in conversations where you need to be gentle or reassuring.

### ☉ Sun qx Quincunx ♂ natal Mars

Over the coming weeks, you may notice that your usual way of getting things done feels slightly out of step with what you actually want to accomplish. Your drive and your sense of purpose are not quite aligned, which can leave you feeling **restless or mildly frustrated** even when you're being productive. The mismatch is not dramatic, but it's enough to make you second-guess your decisions or adjust your approach more often than usual.

### ☉ Sun ∟ Semi sextile ♆ natal Neptune

Right now you're picking up on subtle signals from people around you, noticing things others miss about their feelings and needs. This makes you **naturally more perceptive in conversations**, and people tend to open up to you without you having to ask much. Over the coming weeks this supportive quality can help you build closer connections, especially if you listen more than you talk.

### ☉ Sun qx Quincunx ♀ natal Venus

Over the coming weeks you notice a mismatch between what you want socially and what actually feels right to you. You might say yes to plans or people, then feel disconnected once you are there, creating **awkwardness in your interactions**. This disconnect fades as the transit passes, so small adjustments now will help you feel more authentic in your relationships.

### ♀ Venus ♂ Opposition ♀ natal Venus

You're likely to feel **dissatisfied with your relationships and how others treat you** right now, even if nothing has actually changed. What you normally accept from your partner or friends suddenly feels unfair or emotionally off. These days your own needs feel invisible, and you may swing between giving too much and withdrawing entirely.

### ☉ Sun ♂ Conjunction ☿ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

### ☉ Sun ∟ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun ♂ Conjunction ♄ Saturn

Right now you are more aware of your own limits and what you actually need to do versus what you want to do. You become **more serious about your responsibilities** and less interested in shortcuts or excuses. This is a practical time to make concrete progress on something that matters, even if it feels slow or requires discipline.

LUNAR DAY

Moon in ♏ Scorpio · Day 26 / 30 · Waning Crescent

**Psychological intensity rises** for the next 48 hours, and surface-level talk becomes noticeably less satisfying. People read into what others leave unsaid more than usual, and private matters feel more pressing.
