KEY TRANSIT FACTORS

♊ NNode ∠ Semi sextile ♃ natal Jupiter

Over the coming weeks, you find it easier to say yes to opportunities that genuinely interest you, and **people respond well to your openness**. Small doors open without you having to push hard—a conversation leads to an invitation, or you spot something useful almost by accident. You feel less blocked by your own doubts right now, which means you actually follow through on ideas instead of talking yourself out of them.

♃ Jupiter ♂ Conjunction ♀ natal Venus

Over the coming weeks, you're more **generous with your time and attention**, and people respond by wanting to be around you more often. You feel less critical of yourself and others, which makes social situations feel easier and less exhausting. This is a practical window to deepen relationships or make a good impression, since you're naturally more likeable right now.

♀ Venus □ Square ☿ natal Mercury

Right now you're caught between what you want to say and what feels socially comfortable, so conversations come out muddled or you second-guess yourself constantly. Your **words don't match your real feelings**, which creates awkward moments where people don't understand your actual position. Over the coming weeks, you'll need to slow down and think before speaking, because the gap between your thoughts and your charm is wider than usual.

♇ Pluto ∠ Semi sextile ♁ natal Chiron

Over the coming weeks, you notice you can **talk about past hurts without getting stuck in them**. People seem to listen differently when you speak, and you find yourself explaining your experiences in ways that actually help others understand you. This shift makes conversations feel lighter and more honest than usual.

♅ Uranus △ Trine ☾ natal Moon

You feel oddly comfortable with change right now, even when it comes suddenly. Your **emotional reflexes are fast** — you notice what you actually want instead of what you think you should want, and that clarity helps you make quick practical decisions. Over the coming weeks, people around you will probably notice that you seem more relaxed about shaking things up, whether that means rearranging your home, trying a different routine, or having honest conversations you've been putting off.

♄ Saturn Rx · ♄ Capricorn

Ambitions, career structures, and long-term goals are under the most rigorous review possible during this period. Work that has been sustained through discipline alone may now reveal where genuine motivation is missing. This is a demanding but genuinely clarifying period for honest assessment of your long-term direction.

☉ Sun ∠ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

› Moon ∟ Semi sextile ♀ Venus

These days you find it easier to **say what you actually feel** without worrying so much about how it lands. The emotional and social parts of you are working together instead of against each other, so expressing affection or gratitude comes naturally. This is a good window for having honest conversations with people you care about without the usual awkwardness getting in the way.

› Moon □ Square ♂ Mars

These days you're more likely to act on frustration before you think it through, and small annoyances can feel urgent and demanding. **Your emotional reactions move faster than your good judgment**, so conversations with others can turn sharp or heated quickly. This period pushes you to notice the gap between what you feel and what actually needs to happen right now.

LUNAR DAY

Moon in ♌ Leo · Day 1 / 30 · New Moon

The social atmosphere becomes more expressive these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.
