KEY DATE

☿ Mercury enters ♏ Scorpio

Mercury in *Scorpio* brings **sharper focus** to conversations—people tend to ask tougher questions and get straight to what actually matters instead of making small talk. At work and in relationships, you'll notice others **reading between the lines** more carefully and expecting the same from you, which means vague answers stop working. This transit makes people less willing to skim the surface, so discussions go **deeper and longer** than usual, and secrets or half-truths become harder to hide.

KEY TRANSIT FACTORS

♃ Jupiter △ Trine ☾ natal Moon ★

Right now you find it easier to feel **emotionally settled and optimistic** about your life, even when things aren't perfect. People around you respond to this shift, and you attract more genuine support and kindness without having to ask for it. Over the coming weeks, you're likely to make decisions about your home, family, or personal comfort that actually work out well because you're listening to what you truly need instead of what you think you should want.

♁ Chiron ∟ Semi sextile ☉ natal Sun ★

These days you notice you can **talk about your own difficulties without shame**, which makes people trust you more easily. Your willingness to be honest about what you have struggled with gives others permission to do the same, and conversations become more real. This openness creates small moments of connection that feel genuinely supportive on both sides.

♀ Venus △ Trine ☾ natal Moon

You feel more comfortable being yourself around people right now, and your **emotional warmth comes across naturally** without effort. Others respond well to you during this period because you're genuinely interested in connection rather than defensive. This is a good time to reach out to people you care about, since you're in a receptive mood and conversations tend to flow easily.

♄ Saturn * Sextile ♇ natal Pluto

You find it easier to **stick with difficult changes** right now without feeling overwhelmed by them. This period supports you in handling practical problems that need real commitment, like restructuring your finances or ending a relationship that no longer works. *Saturn* and *Pluto* are helping you make tough decisions with a clear head and then follow through without second-guessing yourself.

☾ Moon ♂ Conjunction ♅ natal Uranus

Over the coming weeks, you feel **restless in your normal routines** and want to break free from familiar patterns. You might suddenly rearrange your home, change your schedule without planning, or say things you normally keep to yourself. These impulses are temporary but real, and trying to suppress them usually makes the feeling stronger.

☉ Sun ∟ Semi sextile ♇ Pluto

These days you have a quiet **ability to notice what really matters** underneath surface conversations and behaviour. Your psychological instincts are sharper than usual, so you pick up on unspoken feelings in others and respond with genuine understanding. This minor aspect between *the Sun* and *Pluto* gives you a practical advantage in conversations where honesty counts.

☾ Moon ☐ Square ♿ Mercury

Right now your **feelings and thoughts are working against each other**, making it hard to say what you actually mean. You might feel irritated or misunderstood because your emotions are moving faster than your ability to explain them. These days conversations tend to go sideways even when you're trying to be clear, because *Moon* and *Mercury* are pulling in opposite directions.

☾ Moon ☐ Square ♂ Mars

These days you're more likely to act on frustration before you think it through, and small annoyances can feel urgent and demanding. **Your emotional reactions move faster than your good judgment**, so conversations with others can turn sharp or heated quickly. This period pushes you to notice the gap between what you feel and what actually needs to happen right now.

LUNAR DAY

Moon in ♒ Aquarius · Day 9 / 30 · First Quarter

Emotional detachment increases these days, making abstract discussions and group concerns feel more engaging than personal ones. People respond better to logic than to feeling right now, and the need for independence runs noticeably higher.
