KEY DATE

☿ Mercury stations Retrograde

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.

KEY TRANSIT FACTORS

♁ Chiron ∟ Semi sextile ☉ natal Sun ★

These days you notice you can **talk about your own difficulties without shame**, which makes people trust you more easily. Your willingness to be honest about what you have struggled with gives others permission to do the same, and conversations become more real. This openness creates small moments of connection that feel genuinely supportive on both sides.

☉ Sun △ Trine ☾ Moon ★

These days you find it easier to know what you actually want and to ask for it without overthinking. Your emotional reactions line up with your real goals, so you move forward without fighting yourself. This is a good time to make decisions or have conversations because you sound genuine and people respond well to that.

☾ Moon △ Trine ♇ natal Pluto

Right now you're noticing that difficult conversations feel less scary, and you're able to say what you actually think without overthinking it. Your **emotional honesty** is flowing more naturally, which means people around you are responding better to what you share. Over the coming weeks, this ease with your own feelings can help you sort through old patterns that usually trip you up.

♀ Venus ♌ Conjunction ♁ natal Lilith

Right now you're more willing to say no to things that don't fit who you are, and people around you notice the shift in your confidence. **You're drawing boundaries without apologizing**, and this feels genuinely good rather than defensive. This period shows you that being direct about your needs doesn't have to damage your relationships.

♀ Venus ♏ Quincunx ♃ natal Jupiter

Over the coming weeks, you may find yourself **wanting more from your relationships and social life than feels comfortable to ask for**. You notice a mismatch between what you hope for and what you're actually willing to pursue, leaving you feeling a bit stuck in conversations or plans. This awkward feeling typically passes once you decide what you actually want instead of waiting for the perfect moment.

♂ Mars △ Trine ♃ natal Neptune

These days you find it easier to **act on creative ideas** without getting stuck in doubt or overthinking. Your instinct and intuition are working together, so you can move forward on projects that usually feel too vague or risky. Over the coming weeks, this practical confidence in your imagination can produce real results in art, music, writing, or any work that needs both vision and follow-through.

♃ Mercury Rx · ♌ Leo

Self-expression feels less fluid right now and there is a tendency to overthink how you come across to others. Conversations about recognition, creative projects, or past performances may resurface during this period. Creative work benefits more from revision than from new starts right now.

♄ Saturn Rx · ♒ Aquarius

The structures supporting group goals, social commitments, and future-oriented plans are being honestly tested right now. Rules and systems that seemed useful may prove unnecessarily rigid under pressure. Distinguishing between structures worth preserving and those worth updating is the most useful work of this period.

☉ Sun * Sextile ♂ Mars

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

☉ Sun ☿ Quincunx ♃ NNode

At the moment you are noticing a mismatch between what you want to do and what feels like the right direction to move in. You might find yourself **hesitating before making choices** because two parts of you are pulling slightly different ways. This isn't crisis or conflict—just an uncomfortable adjustment where you have to consciously decide which impulse to follow rather than acting on automatic.
