## KEY TRANSIT FACTORS

### ♂ Mars ☍ Opposition ♆ natal Neptune ★

Over the coming weeks you'll find your usual ability to read situations slipping away, leaving you **second-guessing your instincts** and making poor calls you'd normally avoid. Your frustration will build because you're acting on incomplete information while *Mars* pushes you to move faster than is wise. The mismatch between what you think is happening and what's actually true creates real practical problems in work and relationships until this transit passes.

### ♂ Mars ☌ Conjunction ♀ natal Venus ★

While this lasts, you feel a **stronger pull toward people and activities that excite you** — you're more direct about what you want and less willing to wait around. Your physical attraction to others sharpens, and you're quicker to pursue relationships or make moves in your social life. Over the coming weeks, watch whether this directness helps you connect or whether you're pushing too hard before you know what you actually want.

### ♄ Saturn qx Quincunx ☉ natal Sun ★

Right now you feel **slightly out of sync with your own plans**, as if the effort you put in doesn't quite match what actually happens. *Saturn* is creating friction with your *Sun*, making you notice where you've been overcommitting or underestimating what tasks really take. These days you're more likely to step back and question whether you're spending your time and energy on things that actually matter to you.

### ☿ Mercury \* Sextile ♆ natal Neptune

Right now your mind works well with imagination, and you can see useful patterns that others miss. You find it easier to explain vague ideas to people in practical terms, and they actually understand you. This is a good window for **creative problem-solving** in conversations, writing, or planning where you need to blend practical details with intuitive insight.

### ♀ Venus ☐ Square ♁ natal Chiron

Right now you're more aware of what you're not getting from the people close to you, and it stings more than usual. You might find yourself **withdrawing from social situations or feeling rejected** even when no one has actually hurt you. Over the coming weeks, this discomfort is pointing you toward recognizing where you've settled for less affection or respect than you actually need.

### ☿ Mercury Rx · ♏ Scorpio

Communication about sensitive or private matters is particularly prone to misunderstanding during this period. Past secrets, investigations, or unresolved trust issues may resurface and demand honest attention. What you hesitate to say is often more important than what you actually say right now.

› Moon ∟ Semi sextile ♀ Venus

These days you find it easier to **say what you actually feel** without worrying so much about how it lands. The emotional and social parts of you are working together instead of against each other, so expressing affection or gratitude comes naturally. This is a good window for having honest conversations with people you care about without the usual awkwardness getting in the way.

› Moon \* Sextile ♄ Saturn

These days you find it easier to **stick to what matters** and ignore what doesn't. Your emotional reactions are quieter and more measured, which means you can actually listen to people instead of just reacting. This period gives you the practical steadiness to follow through on commitments without needing constant reassurance.

› Moon ∟ Semi sextile ♃ Uranus

These days you notice small changes feel easier to make, and your emotional reactions are more flexible than usual. You might suddenly see a practical solution to something that bothered you, or feel **more willing to try a different approach** without overthinking it. The *Moon* and *Uranus* connection right now gives you permission to break a habit or adjust your routine in a way that actually suits you better.

LUNAR DAY

Moon in ♐ Sagittarius · Day 2 / 30 · New Moon

**Restlessness with routine increases** during this transit, and the desire to break out of familiar patterns grows. Opinions get expressed more freely and with less filtering for the next day or two.
