## KEY TRANSIT FACTORS

### ☾ Moon ☿ Quincunx ♃ natal Mercury ★

Over the coming weeks, you find it hard to say exactly what you mean even though you know what you're thinking. Your words come out **awkward or incomplete**, and people sometimes misunderstand you or ask you to repeat yourself. This mismatch between what's in your head and what comes out of your mouth will pass, but right now it's worth slowing down and checking that others actually understand you before moving on.

### ☾ Moon ♃ Semi sextile ♈ natal Saturn ★

These days you find it easier to **organize your thoughts before speaking**, which helps you communicate more clearly with the people around you. Your emotional responses feel steadier right now, letting you handle practical problems without getting pulled into drama. Over the coming weeks, you may notice yourself making decisions that actually stick because you're checking in with yourself first instead of reacting on impulse.

### ♈ Saturn ☉ Opposition ☉ natal Sun

Right now you feel **worn down by demands** on your time and energy, and others seem to expect more from you than feels realistic. You notice yourself saying no more often, or feeling resentful when you do say yes, because your reserves are genuinely low. These weeks will test whether you can be honest about your limits instead of pushing through until you break.

### ♇ Pluto \* Sextile ♆ natal Neptune

While this lasts, you find it easier to **see through confusion and spot what's actually real** in situations that usually feel murky to you. Your intuition sharpens without becoming unreliable, so you can trust your gut feelings more than usual. This is a good time to make decisions about things you've been uncertain about, because you're cutting through the fog naturally.

### ♂ Mars ☐ Square ♃ natal Mercury

Right now you're more **quick to argue and interrupt** without thinking through what you're about to say. Your impatience makes it harder to listen, so conversations turn combative when they don't need to be. Over the coming weeks, you'll notice this pattern most at work or with people who challenge your ideas, and stopping to take a breath before you speak will save you real conflicts.

### ♈ Saturn Rx · ♋ Pisces

The limits that protect your energy, compassion, and creative focus are being reconsidered right now. Boundaries that have been dissolved in the name of flexibility or kindness may be creating hidden costs. Building more deliberate structure into the areas of your life that feel most diffuse rewards you more than continued openness.

### ☉ Sun ☉ Opposition ☾ Moon

Right now you feel pulled in two directions at once, and it's hard to know what you actually want. You might notice yourself **acting one way in public and feeling something completely different inside**, which creates an awkward tension you can't ignore. This split between what you're showing others and what you're experiencing privately tends to make decisions feel impossible until the aspect passes.

### ☉ Sun \* Sextile ♂ Mars

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

### ☉ Sun □ Square ♇ Pluto

Right now you feel **pushed to prove yourself** in ways that feel uncomfortable or unnecessary. Everyone around you seems more irritable, defensive, or bent on getting their way without compromise. This period brings out the part of you that resists being told what to do, and small conflicts can quickly turn into power struggles.

## LUNAR DAY

Moon in ♋ Pisces · Day 15 / 30 · Full Moon

**The boundary between personal and environmental moods blurs** during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.
