## KEY TRANSIT FACTORS

### ♆ Neptune ☾ Opposition ♀ natal Venus ★

Right now you are **seeing your relationships and attractions through an unrealistic filter**, which makes you vulnerable to people who don't deserve your trust. You mistake confusion for depth and ignore practical red flags because you want to believe in a fantasy version of someone. Over the coming weeks, this cloudiness will cost you either through disappointment or poor choices you'll regret once clarity returns.

### ♇ Pluto ★ Sextile ♁ natal Uranus ★

Right now you find yourself **willing to act on ideas you've been sitting with for months**, and the practical timing seems to line up surprisingly well. You're more comfortable than usual taking small risks or changing routines that no longer work, and people around you notice you seem decisive instead of stuck. These days this period gives you real momentum to experiment with new approaches in your work or daily habits without the usual second-guessing holding you back.

### ♆ Neptune ☾ Opposition ♂ natal Mars ★

Right now you're finding it hard to trust your own drive and instincts. You second-guess decisions you'd normally make quickly, and your **confidence in your own judgment feels unreliable**. This confusion can make you hesitate when action is needed, or push forward without clarity about what you actually want.

### ♁ Uranus ★ Sextile ♇ natal Pluto ★

Right now you find it easier to **spot what needs to change** in your life without feeling overwhelmed by it. *Uranus* is helping you see practical steps forward where *Pluto* usually makes things feel stuck or all-or-nothing. Over the coming weeks, you're more likely to act on improvements in your work, relationships, or routines instead of waiting for a crisis to force your hand.

### ♇ Pluto ★ Sextile ☿ natal Mercury ★

Your thinking becomes **sharper and more penetrating** while *Pluto* supports your *Mercury* right now. You naturally spot patterns others miss and can ask the questions that get to the real issue in conversations or problems. This clarity lasts for weeks and helps you communicate about difficult topics with unusual directness and honesty.

### ☿ Mercury Rx • ♒ Aquarius

Technical systems, digital communications, and group coordination hit unexpected friction during this period. Plans made with communities or organizations may need revision, and innovative ideas benefit from reconsideration before being shared. Logic that felt solid on paper often reveals gaps when tested right now.

### ♂ Mars Rx • ♌ Leo

The desire for recognition and creative output is present but blocked or redirected during this period. Ambitions that felt exciting may feel suddenly hollow, or effortful performance yields less response than expected. Reassessing your goals is more honest and productive now than seeking visible results.

### ☉ Sun ☌ Opposition ☌ Mars

Right now you feel **blocked when you try to act**, as if something outside you is pushing back against what you want to do. People around you seem more irritable and quick to argue, and small disagreements can blow up into real conflict without much warning. This period tests whether you can stay patient with obstacles instead of forcing your way through them.

### ☉ Sun ☌ Semi sextile ☌ Uranus

These days you find it easier to **try something different without overthinking it**. Small changes feel natural right now, whether that's taking a new route to work or suggesting a fresh idea in a conversation. This mild alignment between *the Sun* and *Uranus* gives you just enough confidence to break routine without feeling reckless.

### ☉ Sun ☌ Semi sextile ☌ Neptune

These days you find it easier to **imagine things before you build them**, whether that's a project at work or how you want your living space to feel. The subtle connection between *Sun* and *Neptune* softens your usual need to rush into action, giving your practical plans a touch of creativity. This is a good time to sketch out ideas, talk through your vision with others, or sit with half-formed thoughts without needing immediate answers.
