KEY TRANSIT FACTORS

♇ Pluto * Sextile ♁ natal NNode

Over the coming weeks, you find it easier to **let go of habits that no longer fit who you're becoming**. People respond to a quiet confidence in you right now, and you naturally attract opportunities that align with what you actually want. This is a good time to make practical changes to your life direction without overthinking them.

♆ Neptune ☌ Conjunction ♅ natal Uranus

Your usual way of handling change becomes blurry right now, and you may struggle to tell the difference between a genuine breakthrough and pure wishful thinking. You're drawn to unconventional ideas and quick fixes, but **your judgment about what will actually work is clouded**, so it helps to run new plans past someone you trust before you act. Over the coming weeks, focus on small experiments rather than big commitments, since your instinct for timing is temporarily unreliable.

☾ Moon ☌ Opposition ♄ natal Saturn

These days you feel **emotionally withdrawn and reluctant to ask for support**, even when you genuinely need it. Your mood is heavier than usual, and you tend to blame yourself for problems that aren't really your fault. Over the coming weeks, this pattern makes relationships feel harder because people can't tell what you actually need from them.

♁ Chiron ☌ Conjunction ♇ natal Pluto

Right now you are more aware of where you feel powerless in your life, and this clarity can actually help you make practical changes. You might notice old patterns of control or manipulation in your relationships more easily, which means you can address them directly instead of ignoring them. Over these coming weeks, **you're less likely to accept things the way they've always been**, and that pushes you toward real conversations or decisions you've been avoiding.

♇ Pluto ☐ Square ☉ natal Sun

You're feeling **unusually defensive about who you are** and what you believe in right now. People seem to be challenging your authority or questioning your choices in ways that sting more than usual, and you find yourself either backing down or pushing back harder than makes sense. Over the coming weeks, you'll need to watch whether you're holding your ground for real reasons or just because someone rattled you.

☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☾ Moon ☐ Square ☿ Mercury

Right now your **feelings and thoughts are working against each other**, making it hard to say what you actually mean. You might feel irritated or misunderstood because your emotions are moving faster than your ability to explain them. These days conversations tend to go sideways even when you're trying to be clear, because *Moon* and *Mercury* are pulling in opposite directions.

› Moon △ Trine ♀ Venus

These days you find it easier to tell people what you actually feel without worrying they will reject you. Your emotional needs and your desire for connection are **naturally aligned**, so you speak up when something matters instead of staying quiet. This is a good window to have conversations you have been putting off or to spend time with people who make you feel genuinely accepted.

LUNAR DAY

Moon in ♎ Libra · Day 22 / 30 · Waning Gibbous

The social atmosphere becomes more diplomatic during this transit, with more care taken to avoid unnecessary friction. Decisions slow down as multiple perspectives get weighed, and outright conflict feels harder to initiate than usual.
