KEY TRANSIT FACTORS

☾ Moon △ Trine ♁ natal NNode

Right now you find it easier to **trust your instincts about what matters to you**, and other people respond well to that confidence. Your emotional needs and your sense of direction feel aligned for once, so you naturally gravitate toward people and situations that fit who you actually are. Over the coming weeks, this makes social connections feel less forced and more genuine.

♁ Chiron * Sextile ♅ natal Uranus

You find yourself **more willing to experiment with new approaches** to problems that have frustrated you for a while, and your experiments actually work out better than you expected. Your friends or colleagues notice that you're suddenly more open to their unconventional ideas instead of dismissing them. Over the coming weeks, this combination of curiosity and practical luck means you can make real progress on something you've wanted to change about yourself or your situation.

♇ Pluto * Sextile ♁ natal NNode

Over the coming weeks, you find it easier to **let go of habits that no longer fit who you're becoming**. People respond to a quiet confidence in you right now, and you naturally attract opportunities that align with what you actually want. This is a good time to make practical changes to your life direction without overthinking them.

☿ Mercury qx Quincunx ♁ natal Chiron

Over the coming weeks, you may notice that talking about your past experiences feels awkward or incomplete, as if the right words keep slipping away. You find yourself **starting to explain something painful, then stopping halfway through** because the explanation doesn't quite land. This mismatch between what you feel and what you can actually say might frustrate you, but it can also prompt you to try different ways of understanding what happened to you.

☉ Sun △ Trine ♆ natal Neptune

Right now you find it easier to **stay calm when things are uncertain**, and people notice you seem more relaxed and approachable. Your imagination is working well for practical things, so creative problems at work or home feel less stuck than usual. These days your social interactions flow without effort, and you're picking up on what others need without them having to spell it out.

♂ Mars Rx · ♎ Libra

Asserting your needs in relationships feels harder than usual right now, and unresolved conflicts tend to resurface. Avoiding direct confrontation can build passive tension that eventually requires release. Honest conversations about what is and is not working in close partnerships are more useful now than they feel.

☉ Sun ☿ Quincunx ♂ Mars

At the moment, you feel driven to act but something keeps pulling your attention in a different direction, making it hard to move forward with any single plan. Your usual way of doing things no longer feels quite right, and you have to keep adjusting your approach as you go. This mismatch between what you want to do and what actually works creates a practical friction that requires patience and small corrections rather than big changes.

☉ Sun ♃ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

☾ Moon ♃ Semi sextile ♀ Mercury

These days your thoughts and feelings are **naturally aligned**, so what you say matches what you actually feel inside. You find it easier to explain what is bothering you or what you need without getting confused or defensive. This makes conversations smoother because people understand you the first time instead of having to guess what you mean.

LUNAR DAY

Moon in ♊ Gemini · Day 2 / 30 · New Moon

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY
