KEY TRANSIT FACTORS

♇ Pluto ☿ Quincunx ♀ natal Venus

You feel oddly disconnected from what normally makes you happy, as though your usual pleasures have lost their appeal. Your social or romantic relationships may feel slightly off, making you wonder what has changed when nothing obvious has shifted. Over the coming weeks, you might notice yourself pulling back from people or activities you usually enjoy, until this uncomfortable mismatch eventually settles.

☾ Moon ☿ Quincunx ♁ natal Uranus

While this lasts, you feel **restless in situations that normally feel comfortable**, and small changes in your routine bother you more than usual. Your mood swings between wanting everything to stay exactly the same and suddenly wanting to shake things up completely. These contradictory impulses can leave you feeling unsettled, so notice when you're reacting to actual problems versus just needing to move your body or change your environment.

☾ Moon ☿ Quincunx ♇ natal Pluto

Right now your emotional reactions feel out of step with what's actually happening around you, leaving you confused about what you really want. You might find yourself **obsessing over small details** in conversations or situations, searching for hidden meanings that may not be there. These days it helps to check in with someone you trust before you act on what feels urgent, because your gut instincts are less reliable than usual while this lasts.

♀ Venus ♂ Conjunction ♁ natal Chiron

Right now you are more willing to talk about what hurts you, and people respond with genuine care instead of judgment. You notice **old insecurities feel less raw** when you mention them out loud—someone's kindness or interest makes the shame fade a little. Over the coming weeks, small acts of acceptance from others will matter more to you than they normally do.

♁ NNode △ Trine ♀ natal Venus

Right now you find it easier to **say what you actually want in relationships** instead of hiding your needs. People respond well to your honesty because you're not aggressive about it, just clear. Over these coming weeks, you may notice others treating you with more warmth and respect when you show up as your authentic self.

☉ Sun ♂ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

☉ Sun ♂ Conjunction ♂ Mars

Right now you feel **more direct and willing to take action** on things you normally hesitate about. You're likely to speak up in conversations, push forward with a project, or make a decision you've been putting off. This practical confidence usually fades once the transit passes, so use it to handle what actually needs doing.

☉ Sun ∟ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

LUNAR DAY

Moon in ♋ Cancer · Day 21 / 30 · Waning Gibbous

Sensitivity to tone and atmosphere runs higher than usual over the next 48 hours, making small remarks feel more significant than intended. **The draw toward home, familiar food, and trusted people** dominates most decisions.
