KEY TRANSIT FACTORS

♁ NNode ∟ Semi sextile ♄ natal Saturn

Over the coming weeks, you find it easier to **follow through on commitments** without feeling weighed down by them. Your practical instincts are working well with your sense of direction, so you can make real progress on goals that matter. This is a good time to take on responsibility because you actually feel capable of handling it.

♂ Mars ∟ Semi sextile ♀ natal Venus

These days you feel more **confident when connecting with people** you care about, and small gestures of affection come naturally to you. Your *Mars* is working smoothly with your *Venus*, making it easier to express what you want without being pushy or awkward about it. Over the coming weeks, you might find that conversations flow better and you're less hesitant to take the social initiative.

☉ Sun * Sextile ♀ natal Venus

Right now you find it much easier to **express affection and say what you appreciate about people** in your life. Your social interactions feel smoother because you're naturally more relaxed and genuine instead of guarded. Over the coming weeks, others respond well to this openness, and relationships often deepen without you having to work hard at it.

♄ Saturn qx Quincunx ♅ natal Uranus

Right now you feel caught between wanting to stick to your usual routines and an urge to break free from them, which creates an awkward tension in practical decisions. You might find yourself **hesitating before making changes** that normally feel automatic, or feeling frustrated when rules or limitations interfere with your independence. This period pushes you to figure out a middle ground, though it won't feel comfortable while you're looking for it.

☾ Moon ♂ Conjunction ♇ natal Pluto

Over the coming weeks, you're likely to feel **more aware of what you really want** and less willing to settle for surface-level answers in your relationships or work. Your emotional reactions may be sharper and your need for honesty more intense, which can make conversations feel heavier than usual. This intensity will fade once the *Moon* moves past your natal *Pluto*, but right now you're in a phase where you're pruning away what doesn't actually matter to you.

☉ Sun □ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☉ Sun qx Quincunx ♃ Neptune

These days you might notice a gap between what you're trying to accomplish and what actually feels right to you. Your practical plans can feel oddly disconnected from your gut feelings, leaving you **uncertain about which direction to trust**. This mismatch between doing and feeling tends to make decision-making slower and more confusing than usual.

☉ Sun □ Square ♇ Pluto

Right now you feel **pushed to prove yourself** in ways that feel uncomfortable or unnecessary. Everyone around you seems more irritable, defensive, or bent on getting their way without compromise. This period brings out the part of you that resists being told what to do, and small conflicts can quickly turn into power struggles.
