KEY DATE

☿ Mercury stations Retrograde

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.

KEY TRANSIT FACTORS

♀ Venus ∠ Semi sextile ☿ natal Mercury

Over the coming weeks, your conversations flow more easily and people respond well to what you say. You find yourself **speaking with more warmth and genuinely interested in what others think**, which makes them want to talk with you. This natural charm in how you communicate opens doors socially and professionally without you having to force anything.

♂ Mars □ Square ♄ natal Saturn

Right now you feel **blocked and frustrated** when you try to move forward on anything that matters to you. You push hard, but something keeps pushing back — maybe it's a person, a rule, or just bad timing — and the harder you try, the more stuck you feel. Over the coming weeks, you'll have to learn to work within limits instead of against them, or you'll burn yourself out for no gain.

☿ Mercury ∠ Semi sextile ♋ natal NNode

These days you find it easier to **say what you actually mean** instead of holding back or overthinking your words. Your conversations with people tend to flow more naturally, and you pick up on what others really need to hear from you. This is a good time to share ideas you've been sitting on or to have those conversations you've been avoiding.

☾ Moon ∠ Semi sextile ☿ natal Mercury

These days you find it easier to **put your feelings into words** without overthinking or second-guessing yourself. Your conversations with others feel more natural and relaxed because your emotional state and your thinking are working together smoothly. Over the coming weeks, this makes it simpler to explain what you actually need or how you really feel, and people tend to listen better when you're this straightforward.

♁ Chiron qx Quincunx ☉ natal Sun

While this lasts, you notice a **gap between how you see yourself and what actually works in your life**. You might feel awkward or out of step, as though your usual confidence does not quite fit the situation you are in. Over the coming weeks, small adjustments in how you present yourself or approach tasks will reduce this friction.

☿ Mercury Rx · ♏ Scorpio

Communication about sensitive or private matters is particularly prone to misunderstanding during this period. Past secrets, investigations, or unresolved trust issues may resurface and demand honest attention. What you hesitate to say is often more important than what you actually say right now.

☉ Sun * Sextile ♃ Jupiter

These days you feel more **willing to take reasonable risks** and try things you've been putting off. People around you seem more generous with their time and help, making it easier to move forward on practical goals. This period brings a straightforward boost to your confidence without the pressure to overcommit or perform.

☉ Sun ☿ Quincunx ♅ Uranus

At the moment you feel pulled in two directions without clear reason, and small changes in routine throw you off balance more than usual. Your usual way of doing things no longer feels quite right, but you don't yet see what would work better, which creates **restless dissatisfaction**. These days minor adjustments in your practical life take more energy and patience than they should.

☉ Sun △ Trine ♆ Neptune

These days you feel **more comfortable being yourself around others** without needing to explain or defend who you are. People respond better to you right now because you're relaxed enough to listen to what they actually need instead of pushing your own agenda. This period favors creative work, gentle conversations, and situations where you can help someone without it costing you anything.

LUNAR DAY

Moon in ♏ Scorpio · Day 2 / 30 · New Moon

Psychological intensity rises for the next 48 hours, and surface-level talk becomes noticeably less satisfying. People read into what others leave unsaid more than usual, and private matters feel more pressing.

CLOTHING & JEWELRY

Friday · ♀ Venus · Venus in Cancer

Friday belongs to Venus — soft pink, rose, or pastel tones attract beauty and harmony. Rose quartz close to the heart enhances warmth and connection throughout the day.
