KEY TRANSIT FACTORS

☾ Moon ☿ Quincunx ♃ Mercury ★

At the moment your *Moon* and *Mercury* are at odds, which makes it hard to say what you actually feel without overthinking it first. You might notice yourself **second-guessing your own reactions** or explaining your emotions in ways that don't quite fit the actual situation. This awkward angle between emotion and thinking tends to create mild frustration until you accept that some feelings just don't translate neatly into words.

☾ Moon ☐ Square ♀ natal Venus

Right now you feel emotionally out of step with the people closest to you, making it hard to enjoy their company or feel appreciated by them. You may pick fights over small things or withdraw when you normally would reach out, leaving relationships feeling **strained and disconnected**. These days your mood swings can make you seem ungrateful or cold, even when that is not what you intend.

♁ NNode △ Trine ♃ natal Mercury

These days you find it easier to **say what you actually mean** without overthinking or second-guessing yourself. Your conversations flow more naturally, and people seem to understand you better than usual because you're communicating more clearly and directly. Over the coming weeks, this clarity helps you connect with others on practical matters, whether that's settling a disagreement, explaining something important, or just being heard in a group.

♄ Saturn ∟ Semi sextile ♁ natal Chiron

While this lasts, you're able to **turn your old wounds into practical wisdom** without getting stuck in the emotional weight of them. You notice yourself giving better advice to people who are struggling because you can draw on your own difficult experiences without reliving the pain. This period helps you build something solid and useful from what you've learned the hard way.

♂ Mars ☐ Square ♅ natal Uranus

You're more likely to act without thinking these days, especially when someone tells you what to do. The gap between what you want and what you're actually doing widens fast, and you feel **restless and impatient with normal routines**. Over the coming weeks, small frustrations can turn into sudden arguments or reckless decisions that create real problems at work or in your relationships.

♇ Pluto ☐ Square ♃ natal Mercury

Right now you are **second-guessing everything you say**, replaying conversations and worrying you have said too much or the wrong thing. Your mind feels heavy and suspicious, making you reluctant to share your thoughts or ask for what you need. Over the coming weeks, this paranoia about communication can isolate you from the people around you unless you push through the discomfort and speak anyway.

☉ Sun ☐ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

☾ Moon ☿ Opposition ♀ Venus

At the moment, you feel disconnected from what usually makes you happy, and this can push you toward picking fights or withdrawing from people you care about. Your emotional needs and what others want from you are pulling in opposite directions, so small frustrations in relationships tend to blow up. This friction is real—use it to notice where you are actually unhappy rather than blaming the other person.

LUNAR DAY

Moon in ♎ Libra · Day 11 / 30 · First Quarter

The social atmosphere becomes more diplomatic during this transit, with more care taken to avoid unnecessary friction. Decisions slow down as multiple perspectives get weighed, and outright conflict feels harder to initiate than usual.
