KEY TRANSIT FACTORS

♁ NNode qx Quincunx ☾ natal Moon ★

Over the coming weeks, you'll notice your usual emotional comfort habits don't quite work the way they normally do. You might feel pulled toward new social connections or group activities that don't match your typical preference for familiar people, leaving you **restless and slightly off-balance**. The mismatch between what feels safe emotionally and what seems important to pursue socially will gradually push you toward small changes in how you relate to others.

♃ Jupiter △ Trine ☉ natal Sun ★

Right now you feel **more confident in yourself** and people around you pick up on that shift. You're more likely to speak up in meetings, take on new projects, or ask for what you want without overthinking it. Over the coming weeks, this is a practical time to pitch ideas, apply for opportunities, or have conversations you've been putting off because your natural self-assurance makes people more receptive to you.

♇ Pluto □ Square ♁ natal NNode

Right now you're questioning whether you're on the right track in life, and this doubt feels unusually intense and hard to ignore. You may **withdraw from people or activities** that once felt important to you, as if you need to strip things down to what actually matters. Over the coming weeks, expect to feel pushed to make real changes in how you spend your time and who you spend it with, even though the process feels uncomfortable and unclear.

☿ Mercury △ Trine ♂ natal Mars

Your mind works faster than usual right now, and you naturally pick the most direct way to say what you think. You get things done without overthinking because your words and actions line up perfectly. This is a good time to have difficult conversations or push a project forward since you come across as clear and confident.

♁ Chiron * Sextile ☾ natal Moon

Right now you find it easier to talk about things that usually upset you, and people actually listen instead of dismissing your feelings. Your **emotional honesty** becomes something others trust rather than fear, and that creates real closeness in your relationships. This window won't last forever, so these are good weeks to have the conversations you've been putting off.

☿ Mercury Rx · ♋ Pisces

Thinking becomes impressionistic rather than precise during this period, making concrete decisions harder than usual. Miscommunications arise from vagueness — what you think you said and what others heard often differ. Creative and intuitive work benefits from this diffuse quality; contracts and deadlines do not.

♂ Mars Rx · ♍ Virgo

Critical energy turns inward during this period, and self-criticism tends to be more active than productive action. Health, daily routines, and work habits come under scrutiny in ways that may feel more burdensome than useful. Small consistent efforts now build toward genuine improvement more reliably than sweeping overhauls.

♄ Saturn Rx · ♎ Libra

Commitments, contracts, and relationship structures are being reviewed for their genuine fairness and sustainability. Long-standing agreements that have been tolerated rather than honored may surface for honest reassessment. This period asks you to hold yourself to the same standards you expect from others.

☉ Sun ☐ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun ∟ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

☉ Sun ☐ Square ♇ Pluto

Right now you feel **pushed to prove yourself** in ways that feel uncomfortable or unnecessary. Everyone around you seems more irritable, defensive, or bent on getting their way without compromise. This period brings out the part of you that resists being told what to do, and small conflicts can quickly turn into power struggles.
