KEY TRANSIT FACTORS

♄ Saturn * Sextile ♁ natal Chiron

Over the coming weeks, you find it easier to **talk about things that usually feel too painful or awkward** without getting overwhelmed. Your practical side is more active right now, so you can actually do something about problems instead of just thinking about them. This is a good window to seek help, set boundaries, or take a small step toward fixing something you've been avoiding.

☿ Mercury ☌ Conjunction ♆ natal Neptune

Right now your thinking feels **less precise and more imaginative** than usual, which can help you see possibilities others miss but also makes it harder to focus on details. You might notice your mind wandering in conversations or find yourself changing your mind about things you felt certain about last week. These days *Mercury* and *Neptune* are working together, so use this period for brainstorming and creative writing rather than for tasks that need careful accuracy or planning.

♆ Neptune ☌ Quincunx ♁ natal NNode

Over the coming weeks, you may find it harder to stick to your usual social routines and feel less sure about which people or groups really matter to you. Your sense of direction in friendships becomes **less clear and more fluid**, making it difficult to commit to plans or decide where you genuinely belong. This is a good time to notice which connections feel off or forced rather than act on those feelings right away.

☿ Mercury ☌ Opposition ♂ natal Mars

Right now you're more likely to say things you regret, especially when someone disagrees with you or moves too slowly. Your **impatience with others' words and ideas** is heightened, making conversations feel combative even when they don't need to be. Over the coming weeks, watch for a pattern where you interrupt, argue about details, or push your point too hard instead of listening.

♆ Neptune * Sextile ♃ natal Jupiter

You're finding it easier to see the bigger picture in situations that usually feel confusing or overwhelming. Your **confidence in what's possible** is quietly growing, and people around you notice you're more relaxed about uncertainty. Over the coming weeks, this natural optimism can help you take practical steps toward goals you've been hesitant about.

♃ Jupiter Rx · ♍ Virgo

The expansion of practical systems, health routines, and work habits slows during this period in ways that demand honest assessment. Growth that has been accumulating may need to be reviewed for sustainability. Quality over quantity in your work and health practices rewards you more right now.

☉ Sun ☌ Semi sextile ☾ Moon

These days you find it easier to **act on what you actually feel** instead of second-guessing yourself. Your emotional reactions and your practical choices line up more naturally, so you waste less energy fighting your own instincts. This makes conversations smoother and decisions quicker because you're not pulling yourself in opposite directions.

☉ Sun ☌ Semi sextile ☿ Mercury

These days you find it easier to **say what you actually think** without overcomplicating things or getting stuck in your own head. Your mind and sense of purpose line up naturally, so explaining yourself to others feels straightforward rather than exhausting. This is a good window for conversations, presentations, or decisions where you need to be both clear and confident about what matters to you.

☉ Sun ∟ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

LUNAR DAY

Moon in ♋ Pisces · Day 3 / 30 · New Moon

The boundary between personal and environmental moods blurs during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.
