KEY TRANSIT FACTORS

☾ Moon ☿ Quincunx ♀ natal Mercury ★

Over the coming weeks, you find it hard to say exactly what you mean even though you know what you're thinking. Your words come out **awkward or incomplete**, and people sometimes misunderstand you or ask you to repeat yourself. This mismatch between what's in your head and what comes out of your mouth will pass, but right now it's worth slowing down and checking that others actually understand you before moving on.

☾ Moon ♃ Semi sextile ♄ natal Saturn ★

These days you find it easier to **organize your thoughts before speaking**, which helps you communicate more clearly with the people around you. Your emotional responses feel steadier right now, letting you handle practical problems without getting pulled into drama. Over the coming weeks, you may notice yourself making decisions that actually stick because you're checking in with yourself first instead of reacting on impulse.

☉ Sun ☿ Quincunx ♄ natal Saturn ★

Right now you feel a mismatch between what you want to do and what seems practical or allowed. You might push forward with a plan only to run into a real obstacle that makes you reconsider, or hold back when you actually have a real opportunity. **This awkward timing between your drive and your responsibilities** means you cannot simply act on instinct—you need to adjust, compromise, or wait for better conditions.

♁ Chiron ★ Sextile ♆ natal Neptune

Over the coming weeks, you find it easier to **talk about your feelings without overdoing the drama**. Your natural compassion stays intact, but you're less likely to get lost in someone else's problems or your own fantasies about what they need. This is a good time to offer real support to people around you because you can actually listen instead of just projecting your own hopes onto their situation.

☾ Moon ☐ Square ♅ natal Uranus

Right now you feel restless and irritable in ways that don't match your usual mood, making you **snap at people over small things** and struggle to sit still. Your need for sudden change clashes with what you actually need emotionally, so you might suddenly want to quit something or push away someone close to you without being clear why. These feelings will pass in a few days, but while they last you'll need to notice the impulse to act on them rather than act immediately.

♀ Venus ☐ Square ♁ natal Chiron

Right now you're more aware of what you're not getting from the people close to you, and it stings more than usual. You might find yourself **withdrawing from social situations or feeling rejected** even when no one has actually hurt you. Over the coming weeks, this discomfort is pointing you toward recognizing where you've settled for less affection or respect than you actually need.

♂ Mars Rx · ♏ Scorpio

Intense, driven energy is available right now but often feels blocked or turned inward. Old resentments, power struggles, or buried ambitions resurface and demand honest acknowledgment. This period supports deep investigative work but makes impulsive confrontations more harmful than productive.

♄ Saturn Rx · ♏ Sagittarius

Beliefs that have been functioning as unexamined rules are being tested for their actual utility right now. Long-term plans based on optimistic assumptions may need grounding in more realistic evaluation. Honest review of what you have committed to — in education, philosophy, or travel — is more productive than continuing forward without looking back.

☉ Sun △ Trine ♃ Neptune

These days you feel **more comfortable being yourself around others** without needing to explain or defend who you are. People respond better to you right now because you're relaxed enough to listen to what they actually need instead of pushing your own agenda. This period favors creative work, gentle conversations, and situations where you can help someone without it costing you anything.

☾ Moon * Sextile ♿ Mercury

These days your thoughts feel clearer and your feelings find words more easily than usual. You notice you can **explain what you're going through without getting stuck or defensive**, and other people seem to understand you better. This is a good time to have conversations that matter, because both your head and your heart are on the same team right now.

LUNAR DAY

Moon in ♉ Taurus · Day 25 / 30 · Last Quarter

The pace slows considerably during this transit as comfort and familiar surroundings take priority over efficiency. Resistance to change hardens, and any disruption to routine tends to provoke stubborn pushback.

CLOTHING & JEWELRY

Wednesday · ♿ Mercury · Venus in Cancer

Wednesday answers to Mercury — bright yellow, amber, or golden tones sharpen the mind. Tiger's eye as a bracelet or pocket stone supports communication and mental clarity.
