KEY TRANSIT FACTORS

☉ Sun Δ Trine ☾ Moon \star

These days you find it easier to know what you actually want and to ask for it without overthinking. Your emotional reactions line up with your real goals, so you move forward without fighting yourself. This is a good time to make decisions or have conversations because you sound genuine and people respond well to that.

♇ Pluto $\text{\textcircled{R}}$ Opposition ♀ natal Venus

While this lasts, you may feel **drawn to people or situations that feel compulsive rather than genuinely close**, and existing relationships can feel shallow or unsatisfying by comparison. You might push away someone you care about without fully understanding why, or find yourself attracted to dynamics that involve control or power rather than real connection. These days, your usual way of being likeable or accommodating stops working, and that discomfort is real—but it's also forcing you to ask what you actually want instead of what you think you should want.

♊ NNode $\text{\textcircled{X}}$ Quincunx ♇ natal Pluto

Over the coming weeks, you may feel pulled in two directions when it comes to control and letting go. You want to move forward in a new direction but find yourself **reluctant to release old patterns** that feel familiar. This discomfort is real, and pushing too hard to change things quickly will only create more friction with yourself.

♄ Saturn $\text{\textcircled{C}}$ Conjunction ♅ natal Uranus

Right now you feel **caught between wanting to break free and needing to be responsible** about it. You're more aware of the rules and limits around you, which makes any impulsive urge to rebel feel heavier or less appealing. Over the coming weeks, this usually shows up as delayed or reconsidered decisions rather than sudden change.

♇ Pluto $\text{\textcircled{R}}$ Opposition ♂ natal Mars

You feel blocked or thwarted whenever you try to act on what you want right now, as if something invisible is pushing back against your efforts. Your usual confidence in your own power drops, and you second-guess decisions you would normally make without hesitation. Over the coming weeks, you may notice yourself either withdrawing from conflict or pushing harder than usual, both of which drain you more than they move you forward.

♀ Venus Δ Trine ♁ natal Chiron

You find it easier to talk about things that usually hurt, and people actually listen without judgment. Your **openness about past disappointments** feels safe right now, and you notice others responding with real compassion instead of awkwardness. This period gives you a chance to connect with people over shared struggles in a way that strengthens your relationships.

♀ Venus **Rx** · ♊ Gemini

Social connections from the past resurface and existing relationships require more honest communication than usual. Flirtation and surface-level charm lose their usual effect during this period. What you actually want from relationships — rather than what seems appealing — becomes clearer if you pay attention.

♃ Jupiter Rx · ♄ Capricorn

Ambitions and long-term structures built on optimistic assumptions are being tested right now. Career growth or institutional commitments that seemed on track may require more realistic adjustment than you had planned. Reviewing what is genuinely working in your long-term strategy before continuing to build is the most productive use of this period.

♄ Saturn Rx · ♒ Aquarius

The structures supporting group goals, social commitments, and future-oriented plans are being honestly tested right now. Rules and systems that seemed useful may prove unnecessarily rigid under pressure. Distinguishing between structures worth preserving and those worth updating is the most useful work of this period.

☉ Sun ☿ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.
